

Supplementary Material

Contains:

1. Table S1: Optical Density Wavelength Readings for the RVFV IgG Antibodies
2. Table S2: Optical density wavelength readings for the RVFV IgM Antibodies
3. Table S3: Distribution of serum samples across the ecological zones and antibody seropositive results at individual livestock level
4. Table S4: Distribution of serum samples across the ecological zones and districts and antibody seropositive results at herd level

OPTICAL DENSITY READINGS FOR THE SERUM SAMPLES (IgG and IgM Tests)

Table S1. Optical Density Wavelength Readings for the RVFV IgG Antibodies.
