The authors would like to make the following correction to the published paper [1].

There is a mistake in the last sentence of the second paragraph in Section 3.2 Antimicrobial Susceptibility Testing.

The sentence should read “ARGs conferring resistance to macrolide (mreA) was found in F49”.

This change will not alter the conclusions drawn in the paper.

Funding: This research was funded by the Health and Medical Research Fund from the Food and Health Bureau, Hong Kong Special Administrative Region (HMRF grant no.: 17160212 (PI: M.I.).

Conflicts of Interest: The authors declare no conflict of interest.
