

Supplemental Figures for Yeater et al.

The graphical representations of each construct are provided for each dolphin in this supplemental file.

Fluency

Figure S1. Percent correct per session per dolphin.

Figure S2. Number of trials correct before repeat per session.

Flexibility

Figure S3. Mean Proportion of Behaviors Emitted per Flexibility Energy Category Per Dolphin.

Figure S4. Mean Proportion of Behaviors Emitted per Flexibility Type Category Per Dolphin

Originality

Figure S5. Mean Number of Behaviors Emitted per Originality Category Per Dolphin.

Elaboration

Figure S6. Mean Proportion of Behaviors Emitted per Elaboration Category Per Dolphin.
