Note: Data are shown as means ± SD, In the same row, values with the same or no small letter superscripts (a, b, c and d) mean no significant difference ($p > 0.05$), while with different small letter superscripts (a, b, c and d) mean significant difference ($p < 0.05$). SC (Simmental Crossbred Cattle: Simmental × Xuanhan), NY (Native Yellow Cattle: Xuanhan Yellow Cattle), and CY (Cattle Yak: Jersey × Maiwa Yak). “*” both transport and breed interaction.
