† These authors contributed equally to this article.

The authors would like to make the following correction to this published paper [1].

In the original publication, in Section 2.3 "SDS-PAGE and Western Blotting", the citation "Li et al., 2016" was inadvertently omitted from the reference list. This reference should be added to the reference list as No. 17.

17. Li, Q.; Wang, L.; Feng, L.; Zhang, Y.; Zhao, D.; Yang, Y.; Xing, G.; Cai, S.; Li, S.; Zhang, L.; et al. Production and Characterization of Neutralizing Monoclonal Antibodies against Newcastle Disease Virus. *J. Henan Agric. Sci.* **2017**, *46*, 127.

As a result, the original references 17–22 have been reordered as 18–23.

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.

Reference
