

Supplementary Table S1. Methodology and reporting assessment of the enrolled of the enrolled case-control studies.

Studies	Selection			Exposure factor measurement			Score		
	Case appropriate	Case representative	Selection of control	Determination of control	Comparability	Determination of exposure factors		Same method to determine exposure factors	No response rate
Walker AJ [85]	Y	Y	Y	Y	N, N	Y	Y	Y	7
Pottegård A [86]	Y	Y	Y	Y	N, N	Y	Y	Y	7

Y, criteria satisfied; N, criteria not satisfied.
