In the original publication [1], there was a mistake in Figure S2 as published. Two of the sub-images in Figure S2 were duplicates. The corrected Figure S2 appears below. The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.

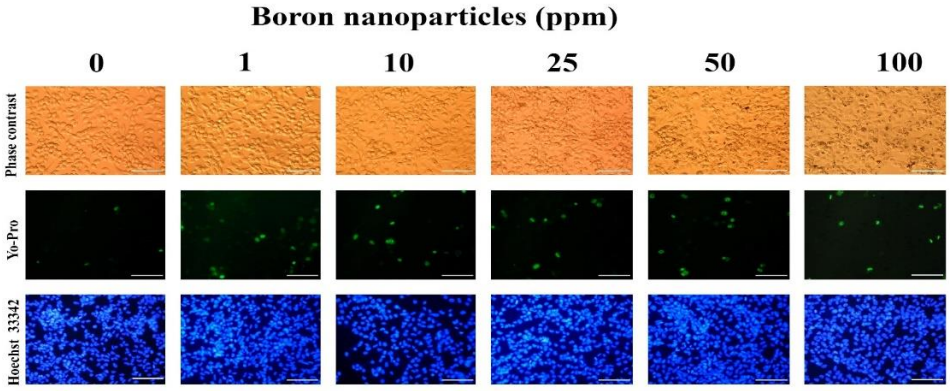

Figure S2. Analysis of cell morphology, apoptosis and Live/Dead assay 24 h after incubation with boron nano-particles. Scale bar—100 μm.
