

Acknowledgement to Reviewers of *Nanomaterials* in 2018

Nanomaterials Editorial Office

MDPI, St. Alban-Anlage 66, 4052 Basel, Switzerland

Published: 17 January 2019

Rigorous peer-review is the corner-stone of high-quality academic publishing. The editorial team greatly appreciates the reviewers who contributed their knowledge and expertise to the journal's editorial process over the past 12 months. In 2018, a total of 1092 papers were published in the journal, with a median time to first decision of 13 days and a median time to publication of 30 days. Among the reviewers who reviewed for *Nanomaterials* in 2018, the following five have been selected to receive the “*Nanomaterials* 2018 Outstanding Reviewer Awards” for the timeliness and quality of their review reports in 2018:

Lazzara, Giuseppe from University of Palermo, Italy
Ariga, Katsuhiko from National Institute for Materials Science Tsukuba, Japan
Szekely, Gyorgy from University of Manchester, UK
Cavallaro, Giuseppe from University of Palermo, Italy
Rodriguez, Noel from University of Granada, Spain

The editors also would like to express their sincere gratitude to the following reviewers for their cooperation and dedication in 2018:
