

Supplementary S1

a) Demographics of respondents. (Table S1)

b) How well do you feel that your medical/ pharmacy education has prepared you to do the following upon graduation? (Table S2)

a) (Table S1)

Table S1. Demographics of respondents.

	Medical Colleges n (%)			Pharmacy Colleges n (%)		
	Public	Private	Total	Public	Private	Total
Institutes participated	10 (38.5)	16 (61.5)	26 (57.8)	8 (42.1)	11 (57.9)	19 (42.2)
Institutes Excluded	-	-	4	-	-	20
Response rate	-	-	76.5%	-	-	70.4%
Respondents	175 (33.3)	351 (66.7)	526 (55.5)	193 (45.7)	229 (54.3)	422 (44.5)
Male	94 (53.7)	152 (43.3)	246 (46.8)	70 (36.3)	86 (37.6)	156 (37.0)
Female	81 (46.3)	199 (56.7)	280 (53.2)	123 (63.7)	143 (62.4)	266 (63.0)
Complete rotation	88 (50.3)	212 (60.4)	300 (57.0)	53 (27.5)	48 (21.0)	101 (23.9)

n= number, %= percentage.

b) (Table S2)

Table S2. How well do you feel that your medical/ pharmacy education has prepared you to do the following upon graduation?

Institute	Compared with	Institutes	Mean Difference	p-value
<i>Medical Colleges Public</i>		Medical Colleges Private	0.148	0.020*
		Pharmacy Colleges Public	0.020	0.783
		Pharmacy Colleges Private	0.047	0.496
<i>Medical Colleges Private</i>		Medical Colleges Public	-0.148	0.020*
		Pharmacy Colleges Public	-0.128	0.037*
		Pharmacy Colleges Private	-0.101	0.082
<i>Pharmacy Colleges Public</i>		Medical Colleges Public	-0.020	0.783
		Medical Colleges Private	0.128	0.037*
		Pharmacy Colleges Private	0.027	0.685
<i>Pharmacy Colleges Private</i>		Medical Colleges Public	-0.047	0.496
		Medical Colleges Private	0.101	0.082
		Pharmacy Colleges Public	-0.027	0.685

*p≤ 0.05 (significant difference between groups using One-way ANOVA.
