The authors have found three typing errors in their published paper and would like to make corrections in this paper [1].

There was typing error from the author's side during the review phase:

1. Section 3, Page number: 9, paragraph: 2, line: 1

The short form of change in surface roughness was written incorrectly as ΔR_a . This should be replaced with ΔS_a .

2. Section 3, Page number: 9, Table 4: Title

The short form of change in surface roughness was written incorrectly as ΔR_a . This should be replaced with ΔS_a .

3. Section 3, Page number: 9, Table 4: Column 1

The short form of change in surface roughness was written incorrectly as ΔR_a . This should be replaced with ΔS_a .

The rest of the paper and tables do not need to be changed. The changes do not affect the scientific results. The authors would like to apologize for any inconvenience caused to the readers by these changes.
