A correction has been made to the authorship list of this article [1] and the linked retraction notice [2]. Following the publication of the above-mentioned retraction, the Editorial Office was made aware that certain individuals previously listed as authors were unaware of the submission and did not contribute to the article. As a result, the authorship list of the article [1] and the retraction notice [2] have been updated accordingly. This correction was approved by the Editors-in-Chief. This correction does not affect the content of the retraction notice.
