In the original publication [1], reference [94] was cited by mistake. Concerns were raised on this, and the reference was replaced by the following reference:

Weimin, S.; Gu, J.; Milios, E. Robotic neurosurgery and clinical applications. In Proceedings of the 2004 International Conference on Intelligent Mechatronics and Automation, Chengdu, China, 26–31 August 2004; pp. 114–119.

The authors state that the scientific conclusions are unaffected. These corrections have been approved by the Academic Editor. The original publication has also been updated.

Reference
