The authors would like to report that the following corrections have been made to the original article [1].

In the Results section, the titles of the paragraphs were written in bold, several of the scientific names were italicized, and one reference number was corrected. In the Taxonomic Treatment section, the name of the new species was written in bold.

The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. These corrections were approved by the Academic Editors. The original publication has also been updated.
