There was an error in the original publication [1]. A correction has been made to Section 3.3. Simultaneous Determination of Red and Yellow Carotenoids, Equation (5):

$$c_{lut} = \frac{1.49A_{445} - A_{510}}{3716.9} \text{ (g/100 mL)} \quad (5)$$

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
