

Table S1: Guidelines and tools for crop wild relative (CWR) conservation

Title ¹	Content	Type	Publisher/source	Language	Availability
Voluntary Guidelines for the Conservation and Sustainable Use of Crop Wild Relatives and Wild Food Plants ²	Primarily for use by governments to develop a national plan for the conservation and sustainable use of CWR and wild food plants.	Publication	FAO	EN, FR, ES, AR	Available for download: http://www.fao.org/publications/card/en/c/8f366de9-08a8-42ad-aae1-4f8f6822420e/
CWR checklists, strategies, action plans	List of CWR checklists and strategies	Webpage	Bioversity International	EN	http://www.cropwildrelatives.org/cwr-strategies/
Crop Wild Relatives - A manual of <i>in situ</i> conservation ³	Captures important practical experiences of CWR <i>in situ</i> conservation in Armenia, Bolivia, Madagascar, Sri Lanka and Uzbekistan.	Publication	Earthscan	EN, FR, ES	Available for download: http://www.cropwildrelatives.org/resources/in-situ-conservation-manual/
Interactive toolkit for CWR conservation planning ⁴	Provides guidance to plan and implement active <i>in situ</i> and <i>ex situ</i> conservation of CWR at national level.	Website	Bioversity International, University of Birmingham	EN	http://www.cropwildrelatives.org/conservation-toolkit/
Core Descriptors for In Situ Conservation of Crop Wild Relatives, v.1. ⁵	The descriptors are designed to facilitate the compilation and exchange of data for CWR <i>in situ</i> conservation activities.	Publication	Bioversity International	EN	Available for download: https://www.bioversityinternational.org/e-library/publications/detail/core-descriptors-for-in-situ-conservation-of-crop-wild-relatives-v1/
Crop Wild Relative Checklist and Inventory	Descriptors for the standardized development of CWR checklists and	Publication	Bioversity International	EN	Available for download: https://www.bioversityinternational.org/e-

¹ The footnotes contain the full citation of the respective resource; the numbers in square brackets refer to the reference number in the reference list of the review paper.

Descriptors v.1 ⁶	inventories				library/publications/detail/crop-wild-relative-checklist-and-inventory-descriptors-v1/
Template for the Preparation of a National Strategic Action Plan for the Conservation and Sustainable Use of Crop Wild Relatives ⁷	Template to assist countries in preparing their National Strategic Action Plans or National Strategies for the conservation and sustainable use of CWR.	Word file	Bioversity International	EN	Available for download: https://dataverse.harvard.edu/dataset.xhtml?persistentId=doi:10.7910/DVN/QH9XWB
Template for the Preparation of a Technical Background Document for a National Strategic Action Plan for the Conservation and Sustainable Use of Crop Wild Relatives ⁸	To assist countries in documenting and detailing the scientific aspects of the development of National Strategic Action Plans or National Strategies for the conservation and sustainable use of CWR.	Word file	Bioversity International	EN	Available for download: https://dataverse.harvard.edu/dataset.xhtml?persistentId=doi:10.7910/DVN/VQVDFA
CWR Checklist and Inventory Data Template v.1 ⁹	Excel template to help users to establish a CWR checklist and inventory in a systematic manner.	Excel file	Bioversity International	EN	Available for download: https://dataverse.harvard.edu/dataset.xhtml?persistentId=doi:10.7910/DVN/B8YOQL
Occurrence Data Collation Template v.1 ¹⁰	Assist users to collate and standardize plant species' occurrence data to perform data analyses needed for conservation planning, including facilitating the formatting of data required for the CAPFITOGEN tools.	Excel file	Bioversity International	EN	Available for download: https://dataverse.harvard.edu/dataset.xhtml?persistentId=doi:10.7910/DVN/5B9IV5
