Q: Question; HSC: Higher School Certificate; TAFE: Technical and Further Education. Results are presented in *n* (%), the total may not sum up to 100% due to missing responses in incomplete surveys. ^a For Q1 and Q2, “every day” was given as a response option but none of the participants selected this. The survey

questions were: Q1. How often does your child/ren have meals or snacks such as burgers, pizza, chicken, or chips from places like McDonalds, Hungry Jacks, Pizza Hut, KFC, Red Rooster or local takeaway food places? (include eat-in, takeaway or home delivered foods). Q2. How often does your child/ren have meals or snacks from a bistro, café or non-fast food restaurant (include eat-in, takeaway or home delivered foods). Q3. When you have a meal or snack, with your child/ren, from a bistro, café or non-fast food restaurant, how often do you see that a “children’s’ menu” or a “kids’ menu” is available? Q4. When ordering a meal or snack for your child/ren (6 months to 12 years of age) from a bistro, café or non-fast food restaurant, have you or your child/ren ever ordered from a “children’s’ menu” or a “kids’ menu”? Q5. Are there any changes that you would like to see made to “children’s’ menus” or “kids’ menus” at bistros, cafés or non-fast food restaurants? Q6. At a typical bistro, café or non-fast food restaurant, how would you describe the overall portion size of options on “kid’s menus” or “kids’ menus”?
