1. Text Correction

There was an error in the original publication [1]. Reference [2] was cited in the wrong style as "Tamilselvan et al. 2012" in Section 6. Results, Subsection 6.2. Effect of Biomass Amount, Paragraph 2, Sentence 1. Corrected Text:

"For the biosorption of Cd (II) [26] and Ni (II) [27], a comparable trend of metal removal (%) with increases in biosorbent dose was observed".

2. References

As a result of the correction, the original citation 26 by Shah is now citation 27. With this correction, the order of the subsequent references has been adjusted accordingly.

In the References section, the added reference 26 has been labeled as below:

26. Tamilselvan, N.; Saurav, K.; Kannabiran, K. Biosorption of Cr (VI), Cr (III), Pb (II) and Cd (II) from aqueous solutions by *Sargassum wightii* and *Caulerpa racemosa* algal biomass. *J. Ocean Univ. China* **2012**, *11*, 52–58. https://doi.org/10.1007/s11802-012-1843-8.

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
