Error in Figure and Legend

In the original publication [1], there was a mistake in the Figure 5 as published.

Original Figure 5 (incorrect one):

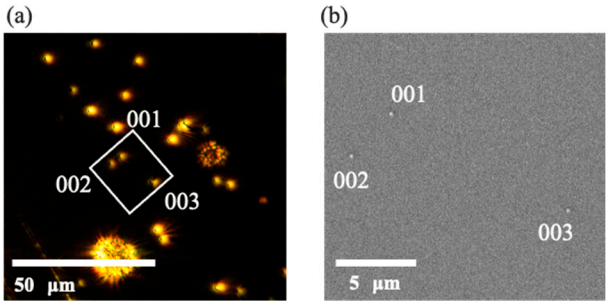

Figure 5. Gold semi-shell structures placed on a gold thin-film substrate. (**a**) Dark-field microscopy image. (**b**) SEM image.

Corrected Figure 5:

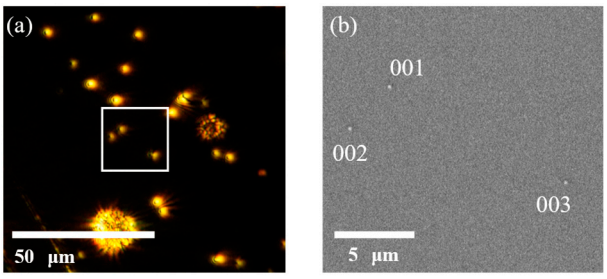

Figure 5. Gold semi-shell structures placed on a gold thin-film substrate. (**a**) Dark-field microscopy image. (**b**) The SEM image corresponds to the region within the white rectangle of (**a**).

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
