Table Correction

In the original publication [1], there was a citation error in Table 1. The bullet point "Increase glucose transport in the [46,54]" incorrectly included reference [54]. Reference [54] has been removed from this specific citation, and the text has been corrected to "Increase glucose transport [46]".

References Correction

In the original publication [1], References 43, 62, 72, 84 and 95 were not the most appropriate sources to support the Review.

The references have been corrected as follows:

References numbered 72 and 95 have been removed.

References numbered 43, 62, and 84 have been replaced with the following references:

43. Sisinni, L.; Landriscina, M. The role of human chorionic gonadotropin as tumor marker: Biochemical and clinical aspects. In *Advances in Cancer Biomarkers: From Biochemistry to Clinic for a Critical Revision*; Scatena, R., Ed.; Springer: Dordrecht, The Netherlands, 2015; pp. 159–176. https://doi.org/10.1007/978-94-017-7215-0_11.

62. Tauchen, J.; Jurášek, M.; Huml, L.; Rimpelová, S. Medicinal Use of Testosterone and Related Steroids Revisited. *Molecules* **2021**, *26*, 1032. https://doi.org/10.3390/molecules26041032.

The original reference [84] has been updated to the current reference [83]: Ip, E.J.; Yadao, M.A.; Shah, B.M.; Lau, B. Infectious disease, injection practices, and risky sexual behavior among anabolic steroid users. *AIDS Care* **2016**, *28*, 294–299. https://doi.org/10.1080/09540121.2015.1090539.

The order of the other references has been adjusted according to the correction. The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
