Rigorous peer-review is the corner-stone of high-quality academic publishing. The editorial team greatly appreciates the reviewers who contributed their knowledge and expertise to the journal's editorial process over the past 12 months. In 2018, a total of 103 papers were published in the journal, with a median time to first decision of 17 days and a median time to publication of 34 days. The editors would like to express their sincere gratitude to the following reviewers for their cooperation and dedication in 2018:
