Statement of Peer Review

Katerina Melfou 

Department of Agriculture, School of Agricultural Sciences, University of Western Macedonia, 53100 Florina, Greece; kmelfou@uowm.gr

In submitting conference proceedings to *Proceedings*, the Volume Editors would like to certify to the publisher that all papers published in this volume have been subjected to peer review by the designated expert referees, and were administered by the Volume Editors strictly following the policies announced on the conference website (<https://etagro.gr/2025/initial-paper-submission/>, accessed on 10 October 2025).

The whole process was supervised by the conference committee and the Volume Editors and adhered to the professional and scientific standards expected of a proceedings journal published by MDPI and complied with the peer review policy and guidelines of *Proceedings*, which can be found at the following link: https://www.mdpi.com/journal/proceedings/instruction_for_conference_organizers, accessed on 10 October 2025. The review reports were checked and archived by the Editorial Office of *Proceedings*.

- Type of peer review: double-blind;
- Conference submission management system: EasyChair;
- Number of submissions sent for review: 112;
- Number of submissions originally accepted: 108;
- Acceptance rate (number of submissions accepted/number of submissions received): 96.4%;
- Average number of reviews per paper: 2;
- Total number of reviewers involved: 47.

Conflicts of Interest: The author declares no conflict of interest.

Disclaimer/Publisher's Note: The statements, opinions and data contained in all publications are solely those of the individual author(s) and contributor(s) and not of MDPI and/or the editor(s). MDPI and/or the editor(s) disclaim responsibility for any injury to people or property resulting from any ideas, methods, instructions or products referred to in the content.
