Addition of Institutional Review Board Statement

"Institutional Review Board Statement" was not included in the original publication [1]. The added Institutional Review Board Statement in the back matter part shows below:

Institutional Review Board Statement: The study was conducted following the Declaration of Helsinki and was approved by the Institutional Review Board of the Centro Protesi Inail (protocol: P6 2013), approval date: 14 November 2012.

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
