

Household Survey

VILLAGE _____ DATE _____ RESPONDENT _____ INTERVIEWER _____

Respondent background information

1	Gender	Male	Female										
2	Age	15-18	19-24	25-30	31-35	36-40	41-45	46-50	51-55	56-60	61-65	66-70	71+
3	Marital Status	Never married	Married	Separated	Divorced	Widowed							
4	How many years have you lived in this village?	< 1	2-3	4-6	7-10	11-15	16-20	21-25	25+				

Household Characteristics

5	How many families live in your household?	
6	How many people live in your household?	Men _____ Women _____ Children _____
7	Does any member of your household own:	Canoe Motorboat Fishing net Fish fence
8	What benefits does your household currently get from marine and coastal resources?	Income Food Both

Occupation of household members

9	In what ways does your household make money? (circle all that apply) What is <u>main</u> occupation? (underline) Rank: most income Rank: most important for food	Fishing Fish culture Boat operation/sea transport d Gleaning e Surabi f Middleman g Seaweed cultivation h Baking i Wood trader j Trader (other) k Miner (coral/inland) l Landlord m Carpenter/Labour n Tourism employee o Artisan/crafts p Transport (land) q Civil servant r Teacher s Farmer (produce) _____ t Other u Not working
---	--	---

Marine and Coastal Resource Use

10	What marine/coastal products do you collect yourself (or trade if trader/middleman)?	Fish/Shark/Octopus/Sea cucumber Other invertebrate _____ Coral/Mangrove/Seaweed
11	What habitat do you fish/collect from? (seagrass/Coral Reef/mangrove/other)	
12	What habitat do you prefer to fish/collect from? (if multiple) (if seagrass, ask why do you like using the seagrass)	
13	What do you do with your collection?	s Sell e Eat b Both
14	Where do you sell your collection?	Market/middleman
15	How often do you collect?	
16	What method do you use?	
17	What is the best season? In which season(s) do you get most money/food for your collection?	
18	How has your income/food from this activity changed in the past 5 years?	b Better w Worse nc No change
19	What do you think are the reasons for this?	

Diet

20	What is the food you eat most ?	Rice Cassava Fish Other seafood Other
----	--	---------------------------------------

21	How many times in a week do you eat fish?	None Every meal	1-2	3-4	5-6	Every day [times/day]
22	What are the 5 most important fish for food?	1 4			2 5	3
23	What are the five most important invertebrates for food?	1 4			2 5	3
24	How often do you eat meat?	Never 1-2 times/month	1-2 times/ week	3-4 times/week		
25	What meat do you eat?	a Chicken	b Goat	c Cow		
26	How often do you eat eggs?	Never 1-2 times/month	Every day	1-2 times/ week	3-4 times/week	
27	Do you eat any of these foods?	Cashew nuts	Other nuts	Seeds	Milk	Fruit Vegetables

Financial questions

28	How much money does your household make in one year?	_____	Don't know	Don't want to say
----	--	-------	------------	-------------------

Seagrass Knowledge

29	Why is seagrass important?			
30	What does the seagrass provide for you?			
31	What is seagrass (plant/animal/algae)?			
32	What can damage seagrass?			
33	<u>I will read a list of statements.</u> Tell me if you agree (a), disagree (b) or don't know (c)	a	b	c
a	There is less fish and marine life than there was 5 years ago			
b	Fish are smaller now than they were 5 years ago			
c	Damaging the marine environment now will make our lives more difficult in the future			
d	Seagrass is an important place for us to find food			
e	Sea cucumbers are smaller now than they were 5 years ago
