[†] All papers published in this volume are presented at the 7th Mechanical Engineering, Science and Technology International Conference, Surakarta, Indonesia, 21–22 December 2023.

The publishers have received certification from the volume editors of the proceedings that all papers published in the conference proceedings of the 7th Mechanical Engineering, Science and Technology (MEST) conference were subjected to peer review, organized by the volume editors. The reviews were carried out by knowledgeable referees in compliance with the academic and professional standards expected by a proceedings journal:

- Type of peer review: single-blind.
- Conference submission management system: <https://mest.ums.ac.id/2023/>.
- Number of submissions sent for review: 53.
- Number of submissions accepted: 30.
- Acceptance rate: 56.6%.
- Average number of reviews per paper: 2.
- Total number of reviewers involved: 26.
- Any additional information on the review process: For further details regarding the review procedure, please see Figure 1.
