Statement of Peer Review †

Jay W. Fox

Department of Microbiology, University of Virginia, Charlottesville, VA 22903, USA; jwf8x@virginia.edu

† All papers published in this volume were presented at the 3rd International Online Conference on Toxins, 10–12 September 2025; Available online: https://sciforum.net/event/IOCT2025.

In submitting conference proceedings to *Biology and Life Sciences Forum*, the volume editors of the proceedings certify to the publisher that all papers published in this volume have been subjected to peer review administered by the volume editors. Reviews were conducted by expert referees to the professional and scientific standards expected of a proceedings journal.

- Type of peer review: single-blind.
- Conference submission management system: SuSy.
- Number of submissions sent for review: 4.
- Number of submissions accepted: 2.
- Acceptance rate (number of submissions accepted/number of submissions received): 50%.
- Average number of reviews per paper: 1.75.
- Total number of reviewers involved: 7.
- Any additional information on the review process: N/A.

Conflicts of Interest: The authors declare no conflicts of interest.

Disclaimer/Publisher's Note: The statements, opinions and data contained in all publications are solely those of the individual author(s) and contributor(s) and not of MDPI and/or the editor(s). MDPI and/or the editor(s) disclaim responsibility for any injury to people or property resulting from any ideas, methods, instructions or products referred to in the content.
