<sup>†</sup> All papers published in this volume were presented at the 6th International Electronic Conference on Foods, 28–30 October 2025; Available online: <https://sciforum.net/event/foods2025>.

In submitting conference proceedings to *Biology and Life Sciences Forum*, the volume editors of the proceedings certify to the publisher that all papers published in this volume have been subjected to peer review administered by the volume editors. Reviews were conducted by expert referees to the professional and scientific standards expected of a proceedings journal.

- Type of peer review: single-blind peer-review
- Conference submission management system: Susy
- Number of submissions sent for review: 46
- Number of submissions accepted: 31
- Acceptance rate (number of submissions accepted/number of submissions received): 67.4%
- Average number of reviews per paper: 1.6
- Total number of reviewers involved: 74
- Peer-review process and regulations: The review was conducted in a single-blind manner, with the entire procedure carried out through the MDPI Susy platform. At least one review report was collected for each paper, and qualified independent experts evaluated the paper. The authors made sufficient revisions based on the review reports. The final decision was made by the chairs of the conference.
