In the original publication [1], there was a retracted reference in the fourth paragraph for the Discussion Section: Reference 32, written by Wang, T. et al. A correction has been made to the fourth paragraph, this citation has now been removed in the fourth paragraph, and all citations of other references in the paper have been revised to ensure that all references are cited in order. Also, this reference has now been removed from the Reference Section. The removed reference is as follows:

Wang, T.; Xing, G.; Fu, T.; Ma, Y.; Wang, Q.; Zhang, S.; Chang, X.; Tong, Y. Role of mitochondria in doxorubicin-mediated cardiotoxicity: From molecular mechanisms to therapeutic strategies. *Cell Stress Chaperones* **2024**, *29*, 349–357.
