There was an error in the original publication [1]. The ethical approval part was mistakenly incomplete.

## Text Correction

A correction has been made to 2. Materials and Methods, 2.2. Ethical Approval, Paragraph, as follows:

"The present study was classified as a quality evaluation study by the local institutional ethical review board (BASEC Nr. Req-2023-001476, EKOS 23/233, approved 21 December 2023), and the need for informed consent was waived."

## Institutional Review Board Statement Correction

A correction has been made to Institutional Review Board Statement, as follows:

"The study was conducted in accordance with the Declaration of Helsinki, and approved by the local institutional ethical review board (BASEC Nr. Req-2023-001476, EKOS 23/233, approved 21 December 2023)."

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
