Statement of Peer Review [†]Hossein Azadi 

Department of Geography, Ghent University, 9000 Ghent, Belgium; hossein.azadi@ugent.be

[†] All papers published in the volume are presented at the 2nd International Electronic Conference on Land (IECL 2025), 4–5 September 2025; Available online: <https://sciforum.net/event/IECL2025>.

In submitting conference proceedings to *Environmental and Earth Sciences Proceedings*, the volume editors of the proceedings certify to the publisher that all papers published in this volume have been subjected to peer review administered by the volume editors. Reviews were conducted by expert referees to the professional and scientific standards expected of a proceedings journal.

Type of peer review: single-blind

- Conference submission management system: Susy
- Number of submissions sent for review: 23
- Number of submissions accepted: 12
- Acceptance rate (number of submissions accepted/number of submissions received): 52%
- Average number of reviews per paper: 1
- Total number of reviewers involved: 21
- Any additional information on the review process: The review process was conducted in a single-blind manner, with the entire procedure administered through the MDPI Submission System. Evaluations were performed by reviewers from various universities and countries. Based on their feedback, revisions were made to each article, encompassing thorough examinations of the structure, content and writing.

Funding: This research received no external funding.

Conflicts of Interest: The author declares no conflict of interest.

Disclaimer/Publisher's Note: The statements, opinions and data contained in all publications are solely those of the individual author(s) and contributor(s) and not of MDPI and/or the editor(s). MDPI and/or the editor(s) disclaim responsibility for any injury to people or property resulting from any ideas, methods, instructions or products referred to in the content.
