

**Table S1.** Environmental parameters detected inside and outside the barn before (T0, May), and one (T1, June) and two (T2, July) months after the beginning of the study.

Environmental parameters	Experimental period					
	T0		T1		T2	
	Inside	Outside	Inside	Outside	Inside	Outside
Temperature (°C)	21.5	22	24.5	25	26	26.5
Relative humidity (%)	61	62	61	62	53	55

The parameters reported are expressed as mean values
