Table S1: List of assessed programs at universities in Europe, Canada, USA, Australia, and New Zealand.

Region	Country	University	Program name	Level
Europe	Austria	University of Graz	Ecology and Evolutionary Biology	MSc
Europe	Austria	University of Innsbruck	Ecology and Biodiversity	MSc
Europe	Austria	University of Natural Resources and Life Sciences	Wildlife Ecology and Wildlife Management	MSc
Europe	Austria	University of Salzburg	Ecology and Evolution	MSc
Europe	Austria	University of Vienna	Ecology and Ecosystems	MSc
Europe	Belgium	Catholic University of Louvain	Biology of Organisms and Ecology	MSc
Europe	Belgium	Free University of Brussels	Biology of Organisms and Ecology	MSc
Europe	Belgium	University of Mons	Biology of Organisms and Ecology	MSc
Europe	Croatia	University of Zagreb	Ecology and Nature Protection	BSc
Europe	Cyprus	University of Cyprus	Biodiversity and Ecology	MSc
Europe	Czech Republic	Charles University	Ecology and Evolutionary Biology	BSc
Europe	Czech Republic	Czech University of Life Sciences Prague	Applied Ecology	BSc
Europe	Czech Republic	Jan Evangelista Purkyně University in Ústí nad Labem	Applied Biology and Ecology	BSc
Europe	Czech Republic	Masaryk University	Ecology and Evolutionary Biology	BSc
Europe	Czech Republic	Palacký University Olomouc	Ecology and Environmental Protection	BSc
Europe	Czech Republic	University of Ostrava	Systematic Biology and Ecology	BSc
Europe	Estonia	University of Tartu	Biology and Biodiversity Protection	BSc
Europe	Finland	University of Eastern Finland	Biology of Environmental Change	MSc
Europe	Finland	University of Helsinki	Ecology and Evolutionary Biology	MSc
Europe	Finland	University of Jyväskylä	Biological and Environmental Science, specialization in Ecology and Evolutionary Biology	MSc
Europe	France	Claude Bernard University Lyon 1	Biodiversity, Ecology and Evolution	MSc
Europe	France	Grenoble Alpes University	Biodiversity, Ecology, Evolution	MSc
Europe	France	Jean Monnet University	Ecology and Ethology	MSc
Europe	France	Paris-Saclay University	Biodiversity, Ecology and Evolution	MSc
Europe	France	Sorbonne University	Biodiversity, Ecology and Evolution	MSc
Europe	France	Toulouse III - Paul Sabatier University	Ecology and Evolution	MSc
Europe	France	University of Angers	Biodiversity, Ecology and Evolution	MSc
Europe	France	University of Lille	Biodiversity, Ecology and Evolution	MSc
Europe	France	University of Limoges	Biology of Organisms, Populations and Ecosystems	BSc
Europe	France	University of Montpellier	Ecology and Biodiversity Management	MSc
Europe	France	University of Perpignan Via Domitia	Biodiversity, Ecology, Evolution	MSc
Europe	France	University of Poitiers	Biodiversity, Ecology and Evolution	MSc
Europe	France	University of Rennes 1	Biodiversity, Ecology and Evolution	MSc
Europe	France	University of Tours	Evolutionary and Behavioural Ecology	MSc
Europe	Germany	Bielefeld University	Ecology and Environmental Change	MSc
Europe	Germany	Free University of Berlin	Biodiversity, Evolution and Ecology	MSc
Europe	Germany	Goethe University Frankfurt	Ecology and Evolution	MSc
Europe	Germany	Ludwig Maximilian University of Munich	Evolution, Ecology and Systematics	MSc
Europe	Germany	Martin Luther University of Halle-Wittenberg	Biodiversity Sciences	MSc
Europe	Germany	Ruhr University Bochum	Biodiversity	MSc
Europe	Germany	Technische Universität Darmstadt	Biology, specialization in Ecology	MSc
Europe	Germany	TU Dresden	Organismic and Molecular Biodiversity	MSc
Europe	Germany	University of Bayreuth	Biodiversity and Ecology	MSc
Europe	Germany	University of Bonn	Organismic Biology, Evolutionary Biology and Palaeobiology	MSc
Europe	Germany	University of Duisburg-Essen	Biodiversity	MSc
Europe	Germany	University of Freiburg	Biology, specialization in Ecology and Evolution	MSc
Europe	Germany	University of Göttingen	Biodiversity, Ecology and Evolution	MSc
Europe	Germany	University of Greifswald	Biodiversity, Ecology and Evolution	MSc
Europe	Germany	University of Jena	Evolution, Ecology and Systematics	MSc
Europe	Germany	University of Kassel	Biology, specialization in Biodiversity and Evolution	MSc
Europe	Germany	University of Konstanz	Biology, specialization in Ecology, Evolution and Behaviour	MSc
Europe	Germany	University of Marburg	Biodiversity and Nature Conservation	MSc
Europe	Germany	University of Oldenburg	Landscape Ecology	MSc
Europe	Germany	University of Potsdam	Ecology, Evolution and Conservation	MSc
Europe	Germany	University of Rostock	Integrative Zoology	MSc
Europe	Germany	University of Tübingen	Evolution and Ecology	MSc
Europe	Greece	National and Kapodistrian University of Athens	Ecology and Biodiversity Management	MSc
Europe	Greece	University of Patras	Applied Ecology	MSc
Europe	Ireland	NUI Galway	Biodiversity & Land-Use Planning	MSc
Europe	Ireland	Trinity College Dublin	Biodiversity and Conservation	MSc
Europe	Ireland	University College Cork	Ecology and Environmental Biology	BSc
Europe	Italy	Roma Tre University	Biodiversity and Environmental Protection	MSc
Europe	Italy	Tuscia University	Marine Biology and Ecology	MSc
Europe	Italy	University of Bari	Environmental Biology	MSc
Europe	Italy	University of Bologna	Biodiversity and Evolution	MSc
Europe	Italy	University of Cagliari	Marine Bio-Ecology	MSc
Europe	Italy	University of Calabria	Biodiversity and Natural Systems	MSc
Europe	Italy	University of Messina	Biology and Ecology of the Coastal Marine Environment	MSc
Europe	Italy	University of Milan	Ecosystem Analysis, Monitoring and Management	MSc
Europe	Italy	University of Molise	Biodiversity	MSc
Europe	Italy	University of Padua	Evolutionary Biology	MSc
Europe	Italy	University of Parma	Ecology and Ethology for Nature Conservation	MSc
Europe	Italy	University of Salento	Biodiversity and Ecosystem Sciences	MSc
Europe	Italy	University of Siena	Biodiversity, Conservation and Environmental Quality	MSc
Europe	Italy	University of Trieste	Ecology and Sustainability of Global Changes	MSc
Europe	Italy	University of Turin	Environmental Biology	MSc
Europe	Latvia	University of Daugavpils	Biology, specialization in Biodiversity Research	MSc
Europe	Netherlands	Leiden University	Biodiversity and Sustainability	MSc
Europe	Netherlands	Radboud University	Conservation and Restoration Ecology	MSc
Europe	Netherlands	University of Amsterdam	Biological Sciences, specialization in Ecology and Evolution	MSc
Europe	Netherlands	University of Groningen	Ecology and Evolution, specialization in Ecology and Conservation	MSc
Europe	Netherlands	Utrecht University	Environmental Biology, specialization in Behavioural Ecology	MSc
Europe	Netherlands	Vrije Universiteit Amsterdam	Ecology and Evolution	MSc
Europe	Netherlands	Wageningen University & Research	Biology, specialization in Ecology and Biodiversity	MSc
Europe	Norway	Inland Norway University of Applied Sciences	Applied Ecology	MSc
Europe	Norway	Norwegian University of Life Sciences	Ecology	MSc
Europe	Norway	University of Agder	Coastal Ecology	MSc
Europe	Norway	University of Bergen	Biodiversity, Evolution and Ecology	MSc
Europe	Norway	University of Oslo	Biodiversity and Systematics	MSc
Europe	Norway	University of South-Eastern Norway	Ecology and Environmental Management	MSc
Europe	Norway	University of Tromsø	Biology, specialization in Ecology and Sustainability	MSc
Europe	Poland	Jagiellonian University	Ecology and Evolution	MSc
Europe	Poland	Wroclaw University of Environmental and Life Sciences	Environmental Biology	MSc
Europe	Portugal	University of Algarve	Biodiversity, Fisheries and Marine Conservation	MSc
Europe	Portugal	University of Aveiro	Applied Ecology	MSc
Europe	Portugal	University of Coimbra	Ecology	MSc
Europe	Portugal	University of Évora	Conservation Biology	MSc
Europe	Portugal	University of Lisbon	Conservation Biology	MSc
Europe	Portugal	University of Minho	Biodiversity, Ecology and Global Change	MSc
Europe	Portugal	University of Porto	Biodiversity, Genetics and Evolution	MSc
Europe	Romania	Babeș-Bolyai University	Terrestrial and Aquatic Ecology	MSc
Europe	Slovakia	Comenius University	Ecology and Environmental Protection	BSc
Europe	Slovakia	Matej Bel University	Environmental Biology	BSc
Europe	Slovakia	Pavol Jozef Šafárik University	Zoology and Animal Physiology	MSc
Europe	Slovakia	University of Prešov	Ecology and Environmental Science	BSc
Europe	Slovenia	University of Primorska	Nature Protection	MSc
Europe	Spain	Autonomous University of Barcelona	Terrestrial Ecology and Biodiversity Management	MSc
Europe	Spain	Complutense University of Madrid	Conservation Biology	MSc
Europe	Spain	University of A Coruña	Terrestrial Biodiversity	MSc
Europe	Spain	University of Alicante	Conservation of Biodiversity and Restoration of the Marine and Terrestrial Environment	MSc
Europe	Spain	University of Barcelona	Ecology, Management and Restoration of the Natural Environment	MSc
Europe	Spain	University of Salamanca	Biology and Conservation of Biodiversity	MSc
Europe	Spain	University of Santiago de Compostela	Terrestrial Biodiversity	MSc
Europe	Spain	University of the Basque Country	Biodiversity, Functioning and Management of Ecosystems	MSc
Europe	Spain	University of Valencia	Biodiversity: Conservation and Evolution	MSc

Europe	Sweden	Karlstad University	Ecology and Nature Conservation	MSc
Europe	Sweden	Linköping University	Applied Ethology and Animal Biology	MSc
Europe	Sweden	Linnaeus University	Evolutionary Ecology	MSc
Europe	Sweden	Lund University	Animal Ecology	MSc
Europe	Sweden	Swedish University of Agricultural Sciences	Conservation and Management of Fish and Wildlife	MSc
Europe	Switzerland	ETH Zurich	Biology, specialization in Ecology and Evolution	MSc
Europe	Switzerland	University of Fribourg	Environmental Biology, specialization in Ecology and Evolution	MSc
Europe	Switzerland	University of Lausanne	Behaviour, Evolution and Conservation, specialization in Geosciences, Ecology and Environment	MSc
Europe	Switzerland	University of Zurich	Biology, specialization in Ecology	MSc
Europe	UK	Imperial College London	Ecology and Environmental Biology	BSc
Europe	UK	Lancaster University	Ecology and Conservation	BSc
Europe	UK	Royal Holloway University of London	Ecology and Conservation	BSc
Europe	UK	University of Aberdeen	Ecology	BSc
Europe	UK	University of Brighton	Ecology and Conservation	BSc
Europe	UK	University of East Anglia	Ecology and Conservation	BSc
Europe	UK	University of Edinburgh	Biological Sciences, specialization in Ecology	BSc
Europe	UK	University of Exeter	Conservation Biology and Ecology	BSc
Europe	UK	University of Gloucestershire	Ecology and Environmental Science	BSc
Europe	UK	University of Leeds	Ecology and Conservation Biology	BSc
Europe	UK	University of Reading	Ecology and Wildlife Conservation	BSc
Europe	UK	University of St Andrews	Ecology and Conservation	BSc
Europe	UK	University of Stirling	Ecology and Conservation	BSc
Europe	UK	University of York	Ecology	BSc
North America	Canada	Capilano University	Biology, specialization in Environmental Science	BSc
North America	Canada	Carleton University	Biology, specialization in Ecology, Evolution and Behaviour	BSc
North America	Canada	Concordia University	Ecology	BSc
North America	Canada	Lakehead University	Biology, specialization in Biodiversity and Conservation	BSc
North America	Canada	MacEwan University	Biology, specialization in Ecology and Diversity	BSc
North America	Canada	McGill University	Agricultural and Environmental Sciences, specialization in Wildlife Biology	BSc
North America	Canada	Memorial University of Newfoundland	Biology, specialization in Evolutionary Ecology	BSc
North America	Canada	Mount Royal University	Biology, specialization in Ecology and Evolution	BSc
North America	Canada	Nipissing University	Environmental Biology and Technology	BSc
North America	Canada	Queen's University at Kingston	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	Canada	Simon Fraser University	Biology, specialization in Ecology, Evolution, and Conservation	BSc
North America	Canada	Thompson Rivers University	Ecology and Environmental Biology	BSc
North America	Canada	Toronto Metropolitan University	Biology, specialization in Environmental Ecology	BSc
North America	Canada	Trent University	Biology, specialization in Conservation Biology	BSc
North America	Canada	Université de Montréal	Biology, specialization in Biodiversity, Ecology and Evolution	BSc
North America	Canada	Université de Sherbrooke	Ecology	BSc
North America	Canada	Université du Québec à Chicoutimi	Biology, specialization in Biodiversity and Ecosystems	BSc
North America	Canada	Université du Québec à Montréal	Biology, specialization in Ecology	BSc
North America	Canada	Université du Québec à Rimouski	Biology, specialization in Ecology	BSc
North America	Canada	Université du Québec à Trois-Rivières	Biological and Ecological Sciences	BSc
North America	Canada	Université Sainte-Anne	Biology, specialization in Environmental Biology	BSc
North America	Canada	University of Alberta	Environmental and Conservation Sciences, specialization in Conservation Biology	BSc
North America	Canada	University of British Columbia	Ecology, Evolution, and Conservation Biology	BSc
North America	Canada	University of Calgary	Biology, specialization in Biodiversity and Conservation	BSc
North America	Canada	University of Guelph	Wildlife Biology and Conservation	BSc
North America	Canada	University of Manitoba	Ecology and Environmental Biology	BSc
North America	Canada	University of Northern British Columbia	Conservation Science and Practice	BSc
North America	Canada	University of Ottawa	Biology, specialization in Ecology, Evolution, Behaviour	BSc
North America	Canada	University of Prince Edward Island	Wildlife Conservation	BSc
North America	Canada	University of Regina	Environmental Biology	BSc
North America	Canada	University of Saskatchewan	Environmental Biology	BSc
North America	Canada	University of the Fraser Valley	Biology, specialization in Ecology and Biology of Organisms	BSc
North America	Canada	University of Toronto	Ecology and Evolutionary Biology	BSc
North America	Canada	University of Western Ontario	Biology, specialization in Biodiversity and Conservation	BSc
North America	Canada	Vancouver Island University	Biology, specialization in Aquatic and Terrestrial Ecology	BSc
North America	Canada	Wilfrid Laurier University	Biology, specialization in Ecology, Evolution and Biodiversity	BSc
North America	Canada	York University	Environmental Biology	BSc
North America	USA	Abilene Christian University	Biology, specialization in Wildlife Biology	BSc
North America	USA	Adams State University	Biology, specialization in Wildlife	BSc
North America	USA	Alabama State University	Marine Biology	BSc
North America	USA	Alderson Broaddus University	Biology, specialization in Ecology	BSc
North America	USA	Alfred University	Biology, specialization in Ecology and Evolution	BSc
North America	USA	Allen University	Biology, specialization in Environmental Science	BSc
North America	USA	Anderson University (Indiana)	Biology, specialization in Ecology and Environmental Biology	BSc
North America	USA	Antioch University New England	Environmental Studies, specialization in Conservation Biology	MSc
North America	USA	Appalachian State University	Biology, specialization in Ecology, Evolution and Environmental Biology	BSc
North America	USA	Arcadia University	Biology, specialization in Conservation Ecology	BSc
North America	USA	Arizona State University	Biological Sciences, specialization in Conservation Biology and Ecology	BSc
North America	USA	Arkansas State University	Wildlife, Fisheries, and Conservation, specialization in Wildlife	BSc
North America	USA	Arkansas Tech University	Fisheries and Wildlife Sciences	BSc
North America	USA	Ashland University	Environmental Science, specialization in Biology	BSc
North America	USA	Athens State University	Biology, specialization in Ecology and Organismal Biology	BSc
North America	USA	Auburn University	Wildlife Ecology and Management	BSc
North America	USA	Augusta University	Ecology	BSc
North America	USA	Augustana University	Biology, specialization in Ecology and Environmental Science	BSc
North America	USA	Austin Peay State University	Biology, specialization in Ecology, Evolution, and Organismal Biology	BSc
North America	USA	Ave Maria University	Marine Biology	BSc
North America	USA	Baker University	Biology, specialization in Ecology	BSc
North America	USA	Ball State University	Biology, specialization in Wildlife Biology and Conservation	BSc
North America	USA	Barry University	Marine Biology	BSc
North America	USA	Belhaven University	Biology, specialization in Ecological Sciences	BSc
North America	USA	Bellarmine University	Biology, specialization in Organismal Biology	BSc
North America	USA	Belmont University	Biology, specialization in Ecology and Biodiversity	BSc
North America	USA	Bemidji State University	Wildlife Biology	BSc
North America	USA	Bethel University (Tennessee)	Biology, Field and Environment	BSc
North America	USA	Biola University	Biology, specialization in Environmental Science	BSc
North America	USA	Black Hills State University	Biology, specialization in Environmental Biology	BSc
North America	USA	Bloomsburg University of Pennsylvania	Ecology, Conservation and Field Biology	BSc
North America	USA	Bob Jones University	Forestry, specialization in Zoo and Wildlife Biology	BSc
North America	USA	Boise State University	Biology, specialization in Ecology, Evolution, and Behavior	BSc
North America	USA	Boston University	Biology, specialization in Ecology and Conservation Biology	BSc
North America	USA	Bowling Green State University	Biology, specialization in Ecology and Conservation Biology	BSc
North America	USA	Brigham Young University–Hawaii	Biology, specialization in Ecology, Evolution and Conservation Biology	BSc
North America	USA	Brigham Young University–Idaho	Fisheries, Range and Wildlife Management	BSc
North America	USA	Brown University	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Bryant University	Biology, specialization in Environmental Biology	BSc
North America	USA	California Polytechnic State University, San Luis Obispo	Environmental Management, specialization in Wildlife Biology	BSc
North America	USA	California State Polytechnic University, Humboldt	Wildlife, specialization in Conservation Biology and Applied Vertebrate Ecology	BSc
North America	USA	California State University San Marcos	Biology, specialization in Ecology	BSc
North America	USA	California State University, Fullerton	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	California State University, Long Beach	Biology, specialization in Ecology, Evolution, and the Environment	BSc
North America	USA	California State University, Los Angeles	Biology, specialization in Organismal Biology	BSc
North America	USA	California State University, Monterey Bay	Biology, specialization in Ecology, Evolution, and Organismal Biology	BSc
North America	USA	California State University, Northridge	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	California State University, Sacramento	Biology, specialization in Ecology, Evolution, and Conservation Biology	BSc
North America	USA	Calvin University	Environmental Health and Conservation, specialization in Ecology and Management	BSc
North America	USA	Cameron University	Biology, specialization in Organismal Biology	BSc
North America	USA	Capital University	Biology, specialization in Ecology and Environmental Science	BSc
North America	USA	Carlow University	Biology, specialization in Environmental Science and Management	BSc
North America	USA	Case Western Reserve University	Biology, specialization in Evolutionary Biology	BSc
North America	USA	Castleton University	Wildlife and Forest Conservation	BSc
North America	USA	Cedarville University	Biology, specialization in Environmental Biology	BSc
North America	USA	Central Connecticut State University	Biology, specialization in Ecology, Biodiversity, and Evolutionary Biology	BSc
North America	USA	Central Methodist University	Biology, specialization in Wildlife Ecology and Conservation	BSc
North America	USA	Central Michigan University	Biology, specialization in Ecology, Evolution, and Conservation	BSc
North America	USA	Central Washington University	Biology, specialization in Ecology and Evolutionary Biology	BSc

North America	USA	Charleston Southern University	Forestry, specialization in Wildlife Biology	BSc
North America	USA	Christian Brothers University	Ecology	BSc
North America	USA	Christopher Newport University	Biology, specialization in Environmental Biology	BSc
North America	USA	Clemson University	Wildlife and Fisheries Biology	BSc
North America	USA	Cleveland State University	Environmental Science, specialization in Environmental Biology	BSc
North America	USA	Coastal Carolina University	Biology, specialization in Ecology, Evolution, and Conservation Biology	BSc
North America	USA	Coker University	Biology, specialization in Ecology	BSc
North America	USA	Colgate University	Environmental Biology	BSc
North America	USA	Colorado Mesa University	Biology, specialization in Ecology, Evolution, and Organismal Biology	BSc
North America	USA	Colorado State University	Fish, Wildlife, and Conservation Biology	BSc
North America	USA	Colorado State University Pueblo	Widlife and Natural Resources	BSc
North America	USA	Columbia University	Environmental Biology, specialization in Ecology and Evolution	BSc
North America	USA	Concord University	Biology, specialization in Field and Organismal Biology	BSc
North America	USA	Concordia University Texas	Environmental Science and Conservation	BSc
North America	USA	Concordia University Wisconsin	Environmental Science, specialization in Ecology	BSc
North America	USA	Cornell University	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Cornerstone University	Environmental Biology, specialization in Wildlife Biology	BSc
North America	USA	Creighton University	Environmental Science, specialization in Organismal and Population Ecology	BSc
North America	USA	Delaware State University	Natural Resources, specialization in Wildlife Management	BSc
North America	USA	Delaware Valley University	Biology, specialization in Zoology	BSc
North America	USA	Delta State University	Environmental Science, specialization in Wildlife Management	BSc
North America	USA	Denison University	Environmental Studies, specialization in Ecosystem Conservation	BSc
North America	USA	DePaul University	Biological Sciences, specialization in Ecology and Evolution	BSc
North America	USA	DePauw University	Biology, specialization in Environmental Biology	BSc
North America	USA	Dickinson State University	Biology, specialization in Organismal Biology	BSc
North America	USA	Dominican University of California	Biology, specialization in Ecology and Environmental Science	BSc
North America	USA	Drake University	Environmental Science, specialization in Zoo and Conservation Science	BSc
North America	USA	Drexel University	Biology, specialization in Ecology, Evolution and Genomics	BSc
North America	USA	Drury University	Environmental Biology	BSc
North America	USA	Duke University	Marine Science and Conservation	BSc
North America	USA	Duquesne University	Biology, specialization in Evolution and Organismal Biology	BSc
North America	USA	East Carolina University	Biology, specialization in Ecology and Evolution	BSc
North America	USA	East Central University	Biology, specialization in Ecology	BSc
North America	USA	East Tennessee State University	Biology, specialization in Natural Resource Ecology	BSc
North America	USA	Eastern Illinois University	Environmental Biology	BSc
North America	USA	Eastern Kentucky University	Biology, specialization in Biodiversity and Conservation	BSc
North America	USA	Eastern Michigan University	Ecology, Evolution and Organismal Biology	MSc
North America	USA	Eastern New Mexico University	Wildlife and Fisheries Science	BSc
North America	USA	Eastern Oregon University	Biology, specialization in Ecological Biology	BSc
North America	USA	Eastern Washington University	Biology, specialization in Wildlife Biology	BSc
North America	USA	Edgewood College	Environmental Science, specialization in Biology	BSc
North America	USA	Emory University	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Emporia State University	Biology, specialization in Ecology and Biodiversity	BSc
North America	USA	Fairfield University	Biology, specialization in Ecology, Evolution and Biodiversity	BSc
North America	USA	Fairleigh Dickinson University	Marine Biology	BSc
North America	USA	Fitchburg State University	Biology, specialization in Environmental Biology	BSc
North America	USA	Florida International University	Marine Biology	BSc
North America	USA	Florida State University	Biology, specialization in Ecology, Evolutionary Biology and Environmental Science	BSc
North America	USA	Fort Hays State University	Biology, specialization in Natural Resources	BSc
North America	USA	Fort Valley State University	Biology, specialization in Fisheries Biology and Wildlife Conservation	BSc
North America	USA	Frostburg State University	Wildlife and Fisheries	BSc
North America	USA	George Mason University	Biology, specialization in Environmental and Conservation Biology	BSc
North America	USA	George Washington University	Biology, specialization in Ecology, Evolution and Environment	BSc
North America	USA	Georgetown University	Biology, specialization in Ecology, Evolution and Behavioral Biology	BSc
North America	USA	Georgia College & State University	Biology, specialization in Marine Science	BSc
North America	USA	Georgia Southern University	Biology, specialization in Evolution and Ecology	BSc
North America	USA	Georgia State University	Biology, specialization in Ecology, Evolution and Organismal Biology	BSc
North America	USA	Grand Valley State University	Wildlife Biology	BSc
North America	USA	Greenville University	Environmental Biology	BSc
North America	USA	Hamline University	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Hampton University	Marine and Environmental Science	BSc
North America	USA	Hannibal–LaGrange University	Conservation Biology	BSc
North America	USA	Hardin–Simmons University	Biology, specialization in Wildlife and Field Biology	BSc
North America	USA	Hawaii Pacific University	Biology, specialization in Ecology and Evolution	BSc
North America	USA	Hofstra University	Biology, specialization in Ecology and Evolution	BSc
North America	USA	Howard University	Biology, specialization in Ecology and Evolution	BSc
North America	USA	Idaho State University	Biology, specialization in Ecology and Conservation	BSc
North America	USA	Illinois State University	Biology, specialization in Conservation Biology	BSc
North America	USA	Illinois Wesleyan University	Environmental Studies, specialization in Ecology	BSc
North America	USA	Indiana University Bloomington	Animal Behavior	BSc
North America	USA	Indiana University Northwest	Biology, specialization in Ecology and Conservation Biology	BSc
North America	USA	Indiana University of Pennsylvania	Biology, specialization in Ecology, Conservation and Evolutionary Biology	BSc
North America	USA	Iona University	Biology, specialization in Ecology and Environmental Biology	BSc
North America	USA	Iowa State University	Biology, specialization in Biodiversity and Evolution	BSc
North America	USA	Jackson State University	Biology, specialization in Environmental Science	BSc
North America	USA	Jacksonville State University	Biology, specialization in Ecology and Environmental Science	BSc
North America	USA	James Madison University	Biology, specialization in Ecology and Environmental Biology	BSc
North America	USA	Kansas State University	Fisheries, Wildlife, and Conservation Biology	BSc
North America	USA	Kean University	Biology, specialization in Environmental Biology	BSc
North America	USA	Kent State University	Zoology	BSc
North America	USA	Kutztown University of Pennsylvania	Biology, specialization in Organismal Biology and Ecology	BSc
North America	USA	Lake Superior State University	Conservation Biology	BSc
North America	USA	Liberty University	Zoo and Wildlife Biology	BSc
North America	USA	Lincoln Memorial University	Conservation Biology	BSc
North America	USA	Lindenwood University	Ecology and Evolutionary Biology	BSc
North America	USA	Lindenwood University – Belleville	Biological Sciences, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Lock Haven University of Pennsylvania	Biology, specialization in Ecology and Environmental Biology	BSc
North America	USA	Longwood University	Environmental Science, specialization in Life Science	BSc
North America	USA	Louisiana State University of Alexandria	Biology, specialization in Organismal and Field Biology	BSc
North America	USA	Loyola University Chicago	Biology, specialization in Ecology	BSc
North America	USA	Malone University	Zoo and Wildlife Biology	BSc
North America	USA	Mansfield University of Pennsylvania	Biology, specialization in Environmental Biology	BSc
North America	USA	Mars Hill University	Ecology and Conservation Biology	BSc
North America	USA	Marshall University	Biology, specialization in Ecology, Evolution, and Organismal Biology	BSc
North America	USA	Mayville State University	Biology, specialization in Wildlife	BSc
North America	USA	Michigan State University	Fisheries and Wildlife, specialization in Wildlife Biology and Management	BSc
North America	USA	Michigan Technological University	Wildlife Ecology and Conservation	BSc
North America	USA	Middle Tennessee State University	Biology, specialization in Organismal Biology and Ecology	BSc
North America	USA	Midwestern State University	Biology, specialization in Organismal Biology	BSc
North America	USA	Millersville University of Pennsylvania	Environmental Biology	BSc
North America	USA	Minnesota State University Moorhead	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Minnesota State University, Mankato	Biology, specialization in Ecology	BSc
North America	USA	Mississippi State University	Forestry, specialization in Wildlife Management	BSc
North America	USA	Missouri Southern State University	Biology, specialization in Ecology and Conservation	BSc
North America	USA	Missouri State University	Wildlife Conservation and Management	BSc
North America	USA	Missouri University of Science and Technology	Biology, specialization in Ecology, Environment and Conservation	BSc
North America	USA	Missouri Western State University	Wildlife Conservation and Management	BSc
North America	USA	Montana State University	Conservation Biology and Ecology	BSc
North America	USA	Montclair State University	Biology, specialization in Ecology and Evolution	MSc
North America	USA	Mount Vernon Nazarene University	Biology, specialization in Environmental Biology	BSc
North America	USA	Murray State University	Wildlife and Conservation Biology, specialization in Wildlife Biology	BSc
North America	USA	New Mexico Highlands University	Biology, specialization in Wildlife Biology and Conservation	BSc
North America	USA	New Mexico State University	Conservation Ecology	BSc
North America	USA	New York University	Biology, specialization in Ecology	BSc
North America	USA	Nicholls State University	Biology, specialization in Marine Biology	BSc
North America	USA	North Carolina State University	Biology, specialization in Ecology, Evolution and Conservation Biology	BSc
North America	USA	North Dakota State University	Biology, specialization in Ecology and Conservation	BSc
North America	USA	North Greenville University	Biology, specialization in Animal and Environmental Biology	BSc
North America	USA	Northeastern State University	Biology, specialization in Fish and Wildlife	BSc

North America	USA	Northeastern University	Marine Biology	BSc
North America	USA	Northern Michigan University	Biology, specialization in Ecology	BSc
North America	USA	Northern Vermont University	Biology, specialization as Field Naturalist	BSc
North America	USA	Northwest Missouri State University	Wildlife Ecology and Conservation	BSc
North America	USA	Northwestern Oklahoma State University	Biology, specialization in Natural History	BSc
North America	USA	Northwestern State University	Biology, specialization in Natural Science	BSc
North America	USA	Northwestern University	Biology, specialization in Ecology, Evolution, and Conservation Biology	BSc
North America	USA	Ohio Northern University	Environmental and Field Biology	BSc
North America	USA	Ohio State University	Evolution and Ecology	BSc
North America	USA	Ohio University	Wildlife and Conservation Biology	BSc
North America	USA	Ohio Wesleyan University	Zoology	BSc
North America	USA	Oklahoma Panhandle State University	Animal Science, specialization in Wildlife Management	BSc
North America	USA	Oklahoma State University–Stillwater	Natural Resource Ecology and Management, specialization in Wildlife Ecology and Management	BSc
North America	USA	Old Dominion University	Marine Biology	BSc
North America	USA	Oregon State University	Fisheries, Wildlife, and Conservation Sciences	BSc
North America	USA	Otterbein University	Zoo and Conservation Science	BSc
North America	USA	Palm Beach Atlantic University	Biology, specialization in Botany, Environmental Science, and Field Biology	BSc
North America	USA	Pennsylvania State University	Biology, specialization in Ecology	BSc
North America	USA	Pennsylvania Western University	Conservation Ecology	BSc
North America	USA	Piedmont University	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Pittsburg State University	Biology, specialization in Wildlife Ecology and Conservation	BSc
North America	USA	Plymouth State University	Environmental Biology	BSc
North America	USA	Princeton University	Ecology and Evolutionary Biology	BSc
North America	USA	Purdue University	Wildlife	BSc
North America	USA	Purdue University Fort Wayne	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Queens University of Charlotte	Conservation Biology	BSc
North America	USA	Radford University	Biology, specialization in Wildlife Biology	BSc
North America	USA	Rice University	Biosciences, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Rivier University	Biology, specialization in Environmental Science	BSc
North America	USA	Rockford University	Biology, specialization in Conservation and Wildlife	BSc
North America	USA	Rockhurst University	Biology, specialization in Organismal Biology	BSc
North America	USA	Roger Williams University	Biology, specialization in Evolution and Ecology	BSc
North America	USA	Rogers State University	Biology, specialization in Environmental Conservation	BSc
North America	USA	Rutgers University	Ecology, Evolution, and Natural Resources	BSc
North America	USA	Saint Francis University	Biology, specialization in Ecology and Environmental Biology	BSc
North America	USA	Saint Louis University	Biology, specialization in Ecology, Evolution and Conservation	BSc
North America	USA	Saint Mary's University of Minnesota	Environmental Biology and Conservation	BA
North America	USA	Salem State University	Biology, specialization in Environmental Biology	BSc
North America	USA	Salisbury University	Biology, specialization in Environmental Biology	BSc
North America	USA	Salve Regina University	Biology, specialization in Environmental Sciences	BSc
North America	USA	San Francisco State University	Biology, specialization in Ecology, Evolution, and Conservation Biology	BSc
North America	USA	San Jose State University	Biology, specialization in Ecology and Evolution	BSc
North America	USA	Sewanee: The University of the South	Biology, specialization in Ecology and Biodiversity	BSc
North America	USA	Shawnee State University	Biology, specialization in Organismal Biology	BSc
North America	USA	Shippensburg University of Pennsylvania	Biology, specialization in Ecology, Environmental and Conservation Concentration	BSc
North America	USA	Shorter University	Ecology and Field Biology	BSc
North America	USA	Sonoma State University	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	South Dakota State University	Ecology and Environmental Science	BSc
North America	USA	Southeast Missouri State University	Biology, specialization in Wildlife and Conservation Biology	BSc
North America	USA	Southeastern Oklahoma State University	Fisheries and Wildlife	BSc
North America	USA	Southern Arkansas University	Biology, specialization in Wildlife and Conservation Biology	BSc
North America	USA	Southern Illinois University Carbondale	Biological Sciences, specialization in Ecology	BSc
North America	USA	Southern Illinois University Edwardsville	Biology, specialization in Ecology, Evolution and Conservation	BSc
North America	USA	Southwest Baptist University	Biology, specialization in Environmental and Field Biology	BSc
North America	USA	Southwestern Adventist University	Biology, specialization in Ecology and Conservation Biology	BSc
North America	USA	St. Cloud State University	Biology, specialization in Biodiversity, Ecology and Evolution	BSc
North America	USA	St. Edward's University	Environmental Biology and Climate Change	BSc
North America	USA	St. Lawrence University	Conservation Biology	BSc
North America	USA	Stanford University	Biology, specialization in Ecology and Evolution	BSc
North America	USA	State University of New York at Cobleskill	Wildlife Management	BT
North America	USA	State University of New York at New Paltz	Biology, specialization in Organismal Biology	BSc
North America	USA	State University of New York at Oswego	Zoology	BSc
North America	USA	State University of New York at Plattsburgh	Ecology	BSc
North America	USA	State University of New York at Purchase	Biology, specialization in Evolutionary and Behavioral Biology	BSc
North America	USA	State University of New York College of Environmental Science and Forestry	Wildlife Science	BSc
North America	USA	Stockton University	Environmental Science, specialization in Wildlife Management	BSc
North America	USA	Stony Brook University	Environmental Studies, specialization in Conservation Biology	BSc
North America	USA	Suffolk University	Biology, specialization in Marine Science	BSc
North America	USA	SUNY Brockport	Environmental Science and Ecology	BSc
North America	USA	Susquehanna University	Ecology	BSc
North America	USA	Tarleton State University	Wildlife, Sustainability, and Ecosystem Sciences	BSc
North America	USA	Temple University	Ecology, Evolution and Biodiversity	BSc
North America	USA	Tennessee Tech	Wildlife and Fisheries Science, specialization in Conservation Biology	BSc
North America	USA	Texas A&M University	Ecology and Conservation Biology	BSc
North America	USA	Texas A&M University–Central Texas	Biology, specialization in Ecology and Conservation Biology	BSc
North America	USA	Texas A&M University–Commerce	Wildlife and Conservation Science	BSc
North America	USA	Texas A&M University–Corpus Christi	Biology, specialization in Ecology	BSc
North America	USA	Texas A&M University–San Antonio	Biology, specialization in Ecology	BSc
North America	USA	Texas State University	Wildlife Biology	BSc
North America	USA	Texas Tech University	Zoology	BSc
North America	USA	The Master's University	Biology, specialization in Natural History and Environmental Biology	BSc
North America	USA	Thomas More University	Biology, specialization in Marine Biology	BSc
North America	USA	Towson University	Biology, specialization in Ecology, Evolution and Conservation	BSc
North America	USA	Transylvania University	Biology, specialization in Ecology, Evolution, and Behavior	BSc
North America	USA	Trinity University (Texas)	Biology, specialization in Ecology and Evolution	BSc
North America	USA	Tulane University	Ecology and Evolutionary Biology	BSc
North America	USA	Union University	Conservation Biology	BSc
North America	USA	University of Alabama	Marine Science	BSc
North America	USA	University of Alabama at Birmingham	Biology, specialization in Marine Science	BSc
North America	USA	University of Alabama in Huntsville	Biology, specialization in Ecology and Evolution	BSc
North America	USA	University of Alaska Fairbanks	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	University of Arizona	Ecology and Evolutionary Biology	BSc
North America	USA	University of Arkansas at Little Rock	Biology, specialization in Ecology and Organismal Biology	BSc
North America	USA	University of Bridgeport	Biology, specialization in Ecology, Conservation, Environmental Biology	BSc
North America	USA	University of California, Davis	Evolution, Ecology and Biodiversity	BA
North America	USA	University of California, Irvine	Ecology and Evolutionary Biology	BSc
North America	USA	University of California, Los Angeles	Ecology, Behavior and Evolution	BSc
North America	USA	University of California, Merced	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	University of California, San Diego	Ecology, Behavior and Evolution	BSc
North America	USA	University of California, Santa Barbara	Ecology, Evolution, and Marine Biology	BSc
North America	USA	University of Central Arkansas	Environmental Science, specialization in Biology	BSc
North America	USA	University of Central Florida	Biology, specialization in Ecology, Evolutionary and Conservation Biology	BSc
North America	USA	University of Central Missouri	Biology, specialization in Wildlife and Natural Resource Conservation	BSc
North America	USA	University of Chicago	Biological Sciences, specialization in Ecology and Evolution	BSc
North America	USA	University of Cincinnati	Biology, specialization in Ecology and Evolution	BSc
North America	USA	University of Colorado Boulder	Ecology and Evolutionary Biology	BA
North America	USA	University of Connecticut	Ecology and Evolutionary Biology	BSc
North America	USA	University of Dallas	Biology, specialization in Environmental Science	BSc
North America	USA	University of Dayton	Biology, specialization in Environmental Biology and Ecology	BSc
North America	USA	University of Denver	Ecology and Biodiversity	BSc
North America	USA	University of Florida	Wildlife Ecology and Conservation	BSc
North America	USA	University of Georgia	Ecology	BSc
North America	USA	University of Hawai'i at Hilo	Biology, specialization in Ecology, Evolution and Conservation Biology	BSc
North America	USA	University of Houston–Clear Lake	Environmental Science, specialization in Environmental Biology	BSc
North America	USA	University of Idaho	Conservation Biology	BSc
North America	USA	University of Illinois Chicago	Biology, specialization in Evolution, Ecology and Environmental Biology	BSc
North America	USA	University of Kansas	Ecology, Evolution, and Organismal Biology	BA
North America	USA	University of Kentucky	Ecology and Evolutionary Biology	BSc
North America	USA	University of Louisiana at Lafayette	Biology, specialization in Ecology, Evolution and Marine Biology	BSc

North America	USA	University of Maine	Wildlife Ecology	BSc
North America	USA	University of Maine at Farmington	Biology, specialization in Forest Ecology and Conservation	BSc
North America	USA	University of Maine at Fort Kent	Biology, specialization in Ecology and Conservation	BSc
North America	USA	University of Maine at Presque Isle	Biology, specialization in Ecology, Evolution and Biodiversity Conservation	BSc
North America	USA	University of Mary	Biology, specialization in Wildlife and Conservation Biology	BSc
North America	USA	University of Mary Washington	Environmental Science, specialization in Natural Science	BSc
North America	USA	University of Maryland Eastern Shore	Environmental Science, specialization in Marine Science	BSc
North America	USA	University of Maryland, College Park	Biology, specialization in Ecology and Evolution	BSc
North America	USA	University of Massachusetts Dartmouth	Biology, specialization in Ecology and Evolution Biology	BSc
North America	USA	University of Massachusetts Lowell	Biology, specialization in Ecology, Evolution and Organismal Biology	BSc
North America	USA	University of Miami	Marine Biology and Ecology	BSc
North America	USA	University of Michigan–Flint	Wildlife Biology	BSc
North America	USA	University of Minnesota	Ecology, Evolution and Behavior	BSc
North America	USA	University of Minnesota Morris	Biology, specialization in Environmental Biology	BSc
North America	USA	University of Mississippi	Biology, specialization in Ecology and Evolutionary Biology	BA
North America	USA	University of Montana	Biology, specialization in Ecology and Organismal Biology	BSc
North America	USA	University of Montana Western	Ecology	BSc
North America	USA	University of Mount Olive	Biology, specialization in Ecology and Environmental Science	BSc
North America	USA	University of Nebraska at Kearney	Biology, specialization in Wildlife	BSc
North America	USA	University of Nebraska–Lincoln	Fisheries and Wildlife	BSc
North America	USA	University of Nevada, Las Vegas	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	University of Nevada, Reno	Wildlife Ecology and Conservation	BSc
North America	USA	University of New England (USA)	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	University of New Mexico	Biology, specialization in Ecology, Evolution, and Organismal Biology	BSc
North America	USA	University of North Alabama	Biology, specialization in Environmental Biology	BSc
North America	USA	University of North Carolina at Greensboro	Biology, specialization in Environmental Biology	BSc
North America	USA	University of North Carolina at Pembroke	Biology, specialization in Zoology	BSc
North America	USA	University of North Carolina Wilmington	Marine Biology	BSc
North America	USA	University of North Dakota	Biology, specialization in Fisheries and Wildlife Biology	BSc
North America	USA	University of North Florida	Biology, specialization in Ecology and Evolution Biology	BSc
North America	USA	University of North Texas	Ecology for Environmental Science	BSc
North America	USA	University of Northern Iowa	Biology, specialization in Ecology, Evolution, and Organismal Biology	BSc
North America	USA	University of Notre Dame	Biology, specialization in Ecology and Environment	BSc
North America	USA	University of Oregon	Biology, specialization in Ecology and Evolution	BSc
North America	USA	University of Pennsylvania	Biology, specialization in Ecology and Evolutionary Biology	BA
North America	USA	University of Pittsburgh	Ecology and Evolution	BSc
North America	USA	University of Providence	Biology, specialization in Wildlife Ecology	BSc
North America	USA	University of Rio Grande	Wildlife Conservation	BSc
North America	USA	University of Saint Francis (Indiana)	Environmental Science, concentration in Conservation Biology	BSc
North America	USA	University of San Diego	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	University of South Carolina Aiken	Biology, specialization in Environmental Remediation and Restoration	BSc
North America	USA	University of South Dakota	Conservation and Biodiversity	BSc
North America	USA	University of South Florida	Biology, specialization in Ecology and Evolution	BSc
North America	USA	University of Southern California	Biological Sciences, specialization in Ecology, Evolution and Environment	BSc
North America	USA	University of Southern Mississippi	Biological Sciences, specialization in Conservation Biology	BSc
North America	USA	University of Tampa	Biology, specialization in Organismal and Evolutionary Biology	BSc
North America	USA	University of Tennessee	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	University of Tennessee at Martin	Ecology and Environmental Biology	BSc
North America	USA	University of Texas at Austin	Biology, specialization in Ecology, Evolution, and Behavior	BSc
North America	USA	University of Texas at El Paso	Ecology and Evolutionary Biology	BSc
North America	USA	University of Texas at San Antonio	Biology, specialization in Ecology	BSc
North America	USA	University of Texas Permian Basin	Biology, specialization in Organismal Biology	BSc
North America	USA	University of Texas Rio Grande Valley	Environmental Science, specialization in Environmental Biology	BSc
North America	USA	University of the Ozarks	Biology, specialization in Ecology and Wildlife Biology	BSc
North America	USA	University of Toledo	Biology, specialization in Ecology and Organismal Biology	BSc
North America	USA	University of Utah	Biology, specialization in Ecology, Evolution and Environmental Biology	BSc
North America	USA	University of Vermont	Zoology	BSc
North America	USA	University of West Alabama	Conservation and Field Biology	BSc
North America	USA	University of Wisconsin	Wildlife Ecology and Management	BSc
North America	USA	University of Wisconsin–Eau Claire	Biology, specialization in Ecology and Environmental Biology	BSc
North America	USA	University of Wisconsin–Green Bay	Biology, specialization in Ecology and Conservation	BSc
North America	USA	University of Wisconsin–Madison	Wildlife Ecology	BSc
North America	USA	University of Wisconsin–Milwaukee	Biology, specialization in Ecology, Evolution and Behavior	BSc
North America	USA	University of Wisconsin–Oshkosh	Biology, specialization in Ecology and Organismal Biology	BSc
North America	USA	University of Wisconsin–Parkside	Environmental Science, specialization in Biology	BSc
North America	USA	University of Wisconsin–Platteville	Environmental Science and Conservation	BSc
North America	USA	University of Wisconsin–River Falls	Biology, specialization in Ecology and Organismal Biology	BSc
North America	USA	University of Wisconsin–Superior	Biology, specialization in Ecology, Aquatic Biology and Fishery	BSc
North America	USA	University of Wisconsin–Whitewater	Biology, specialization in Ecology, Evolution, and Behavior	BSc
North America	USA	University of Wyoming	Biology, specialization in Ecology and Evolution	BSc
North America	USA	Utah State University	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Vanderbilt University	Ecology, Evolution, and Organismal Biology	BSc
North America	USA	Vanguard University	Biology, specialization in Ecology	BSc
North America	USA	Virginia Tech	Wildlife Conservation	BSc
North America	USA	Washburn University	Environmental Biology	BSc
North America	USA	Washington State University	Biology, specialization in Ecology and Evolutionary Biology	BSc
North America	USA	Washington University in St. Louis	Environmental Biology	BSc
North America	USA	Weber State University	Zoology	BSc
North America	USA	Webster University	Biology, specialization in Biodiversity	BA
North America	USA	West Chester University	Biology, specialization in Ecology and Conservation	BSc
North America	USA	West Liberty University	Ecology, Evolution, and Organismal Biology	BSc
North America	USA	West Texas A&M University	Wildlife Biology	BSc
North America	USA	West Virginia University	Biology, specialization in Ecology and Environmental Biology	BSc
North America	USA	Western Connecticut State University	Biology, specialization in Ecological Sciences	BSc
North America	USA	Western Illinois University	Biology, specialization in Environmental Biology	BSc
North America	USA	Western New Mexico University	Zoology	BSc
North America	USA	Western Washington University	Biology, specialization in Ecology, Evolution, and Organismal Biology	BSc
North America	USA	Wichita State University	Biology, specialization in Ecological / Environmental / Organismal Emphasis	BSc
North America	USA	William Paterson University	Biology, specialization in Ecology	BSc
North America	USA	Wingate University	Environmental Biology	BSc
North America	USA	Winona State University	Biology, specialization in Ecology	BSc
North America	USA	Winthrop University	Biology, specialization in Conservation Biology	BSc
North America	USA	Wright State University	Biology, specialization in Ecology, Evolution, and Organismal Biology	BSc
North America	USA	Yale University	Ecology and Evolutionary Biology	BSc
