

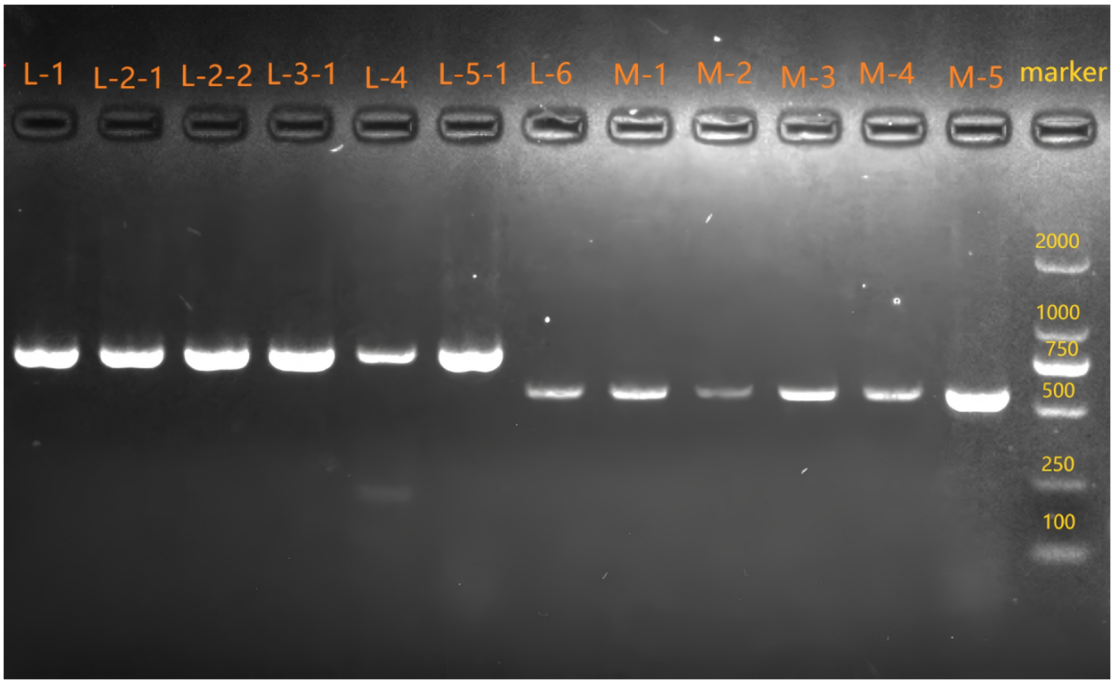

Figure S1 Gel electrophoresis diagram of gene amplification of *Cytb* and D-loop regions of partial genetic samples from *Castor fiber birulai*

Captions: Sample numbers L-1, L-2-1, L-2-2, L-3-1, L-4 and L-5-1 are the results of *Cytb* amplification(800 bp). Sample numbers L-6, M-1, M-2, M-3, M-4 and M-5 are the results of D-loop amplification(592 bp)
