

*GmSUVH12*

*GmSUVH13*

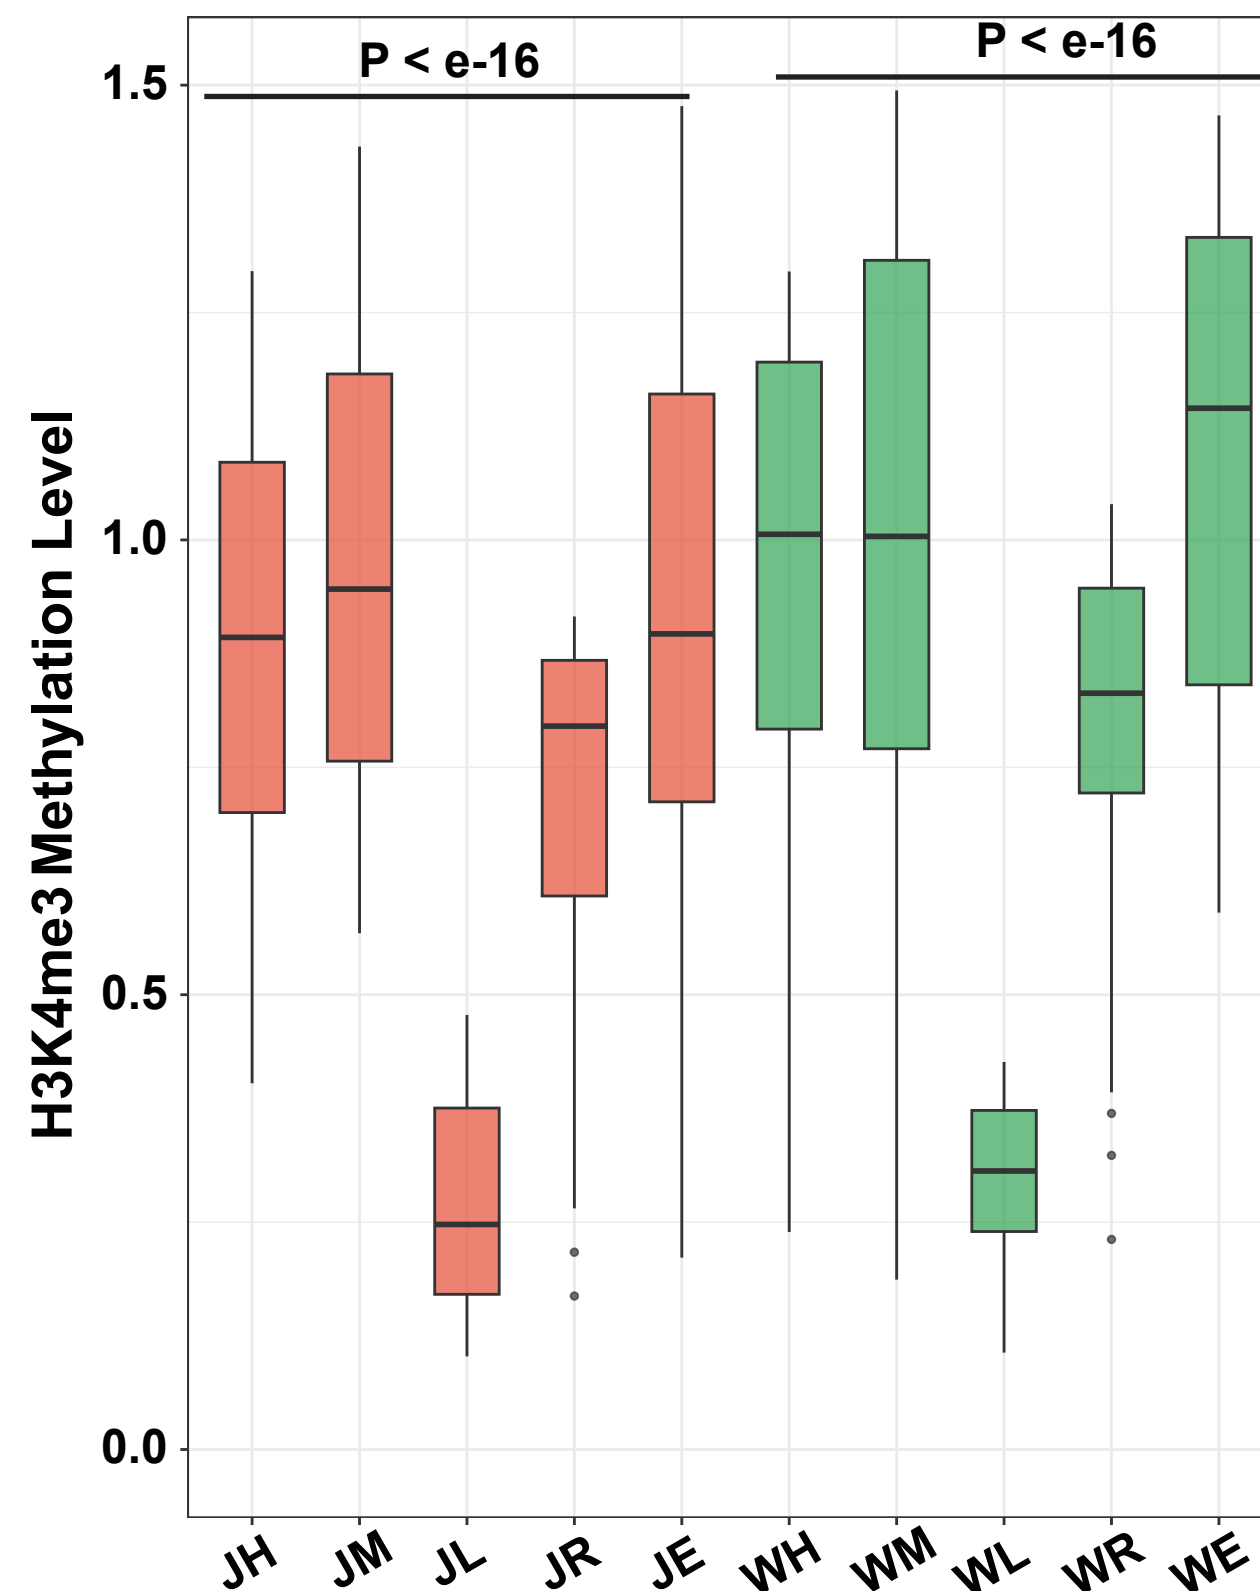

Figure S3. Statistics of H3K4me3 methylation levels of *GmSUVH12* and *GmSUVH13* in Jack (J) and Williams82 (W). The ANOVA analysis revealed that the differences in the levels of H3K4me3 methylation among the various tissues and varieties for *GmSUVH12* and *GmSUVH13* were significant.
