Supplementary figure S1

a

Score	Iba-1 immunoreactivity
0	No microglial activation
1	Focal activation
2	Mild diffuse activation, occasional amoeboid microglia
3	Widespread activation, predominant amoeboid microglia
4	Tissue loss

b

Supplementary Figure S1. (**a**) Definition of microglial scoring (**b**) Pictures of coronal brain sections illustrating scored regions; 1: cortex 1 (CTX1); 2: cortex 2 (CTX2); 3: pyriform cortex (PYR); 4: hippocampus (HIP); 5: midbrain (MB); 6: substantia nigra (SN); 7: thalamus (THL); 8: striatum (STR)
