

Table S2. Excluded articles

| Authors                   | Reason for exclusion     |
|---------------------------|--------------------------|
| Lynch and Campbell (2011) | Review article           |
| Habib and Avisar (2018)   | Wrong study design       |
| Berger et al. (2020)      | Review article           |
| Mazza (2021)              | Wrong study design       |
| Fitzcharles et al. (2021) | Review article           |
| Habib and Amar (2022)     | Multiple pain etiologies |
| Boehnke et al. (2022)     | Wrong study design       |
| Van Dam et al. (2023)     | Active clinical trial    |
