

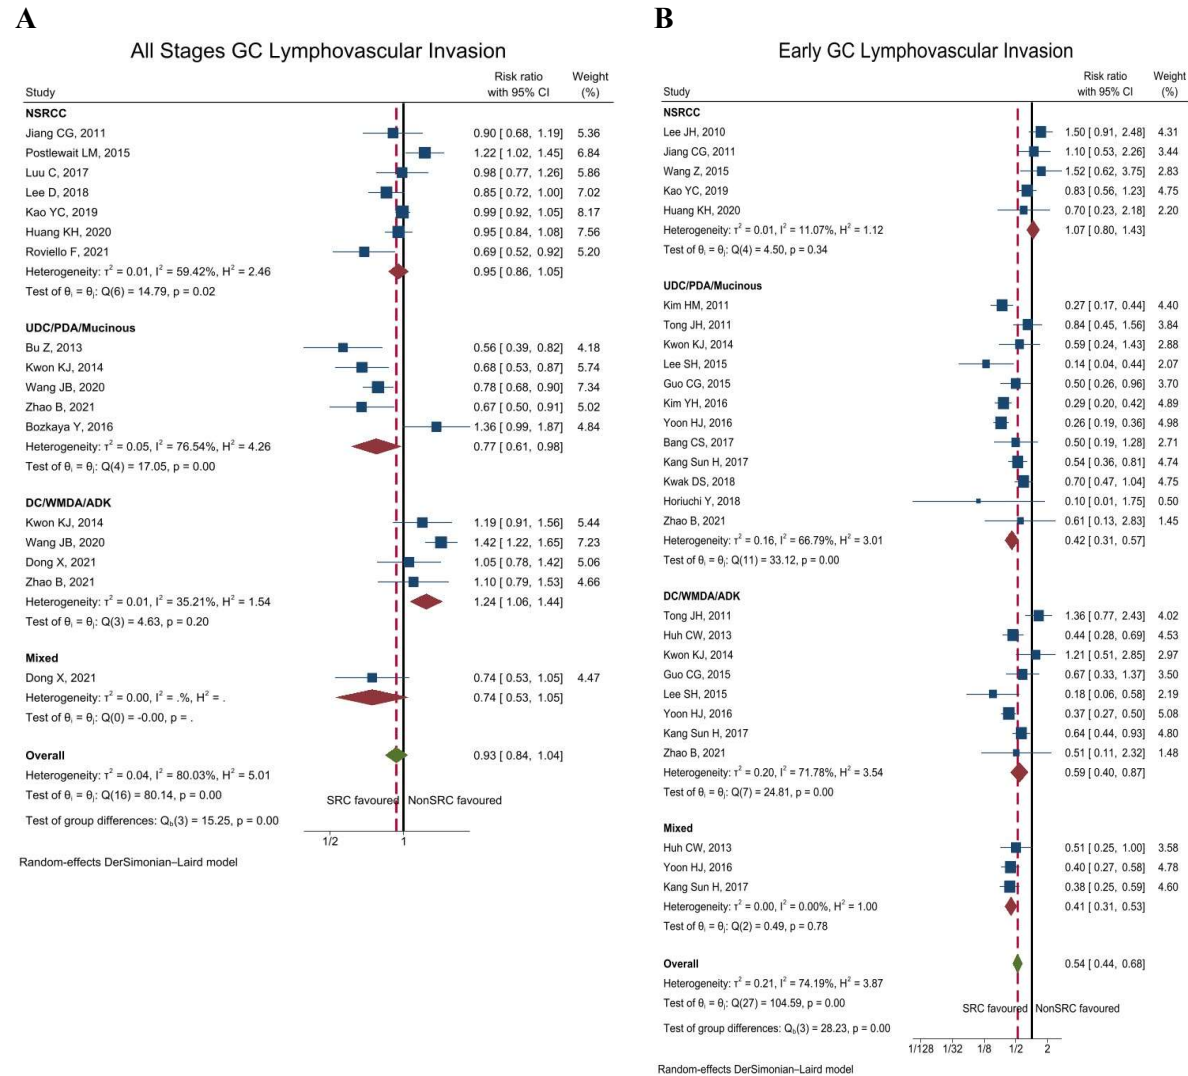

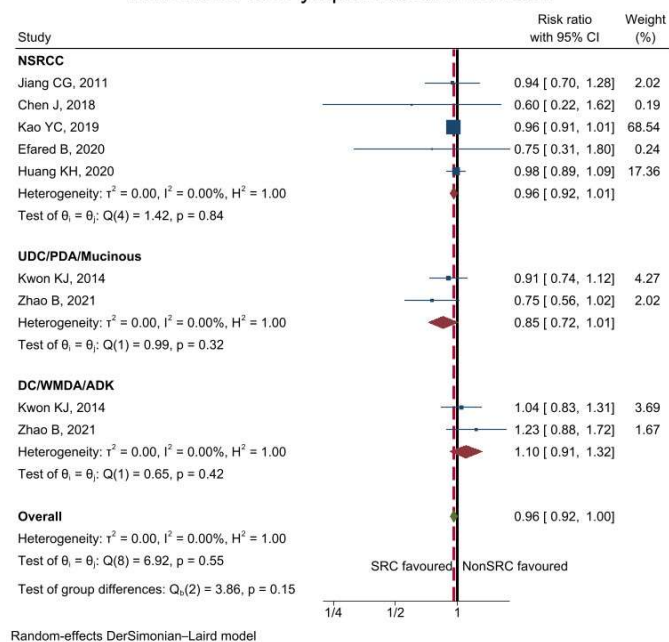

**Figure S1:** Forest plot showing meta-analysis results for Lymphovascular Invasion between SRCC and other histologies (NSRCC, UDC/PDA/mucinous, DC/WMDA/ADK, mixed).

**(A):** in All Stages Gastric Cancer patients. **(B):** in Early Gastric Cancer patients. **(C):** in Advanced Gastric Cancer patients.

C

## Advanced GC Lymphovascular Invasion

**Abbreviations.** ADK: Adenocarcinoma not otherwise specified; DC: Differentiated Cancer; GC: Gastric Cancer; NSRCC: Non-Signet Ring Cell Carcinoma; PDA: Poorly Differentiated Adenocarcinoma; SRCC: Signet Ring Cell Carcinoma; WMDA: Well/Moderately Differentiated Adenocarcinoma; UDC: Undifferentiated Cancer.
