

Supplementary File S3. SdRNA -D19b and -A24 PC3 cell scratch assays. Representative migration (wound-healing) assays for PC3 cells transfected with the indicated sdRNA mimic or inhibitor. **(A)** 19 inhibitor.

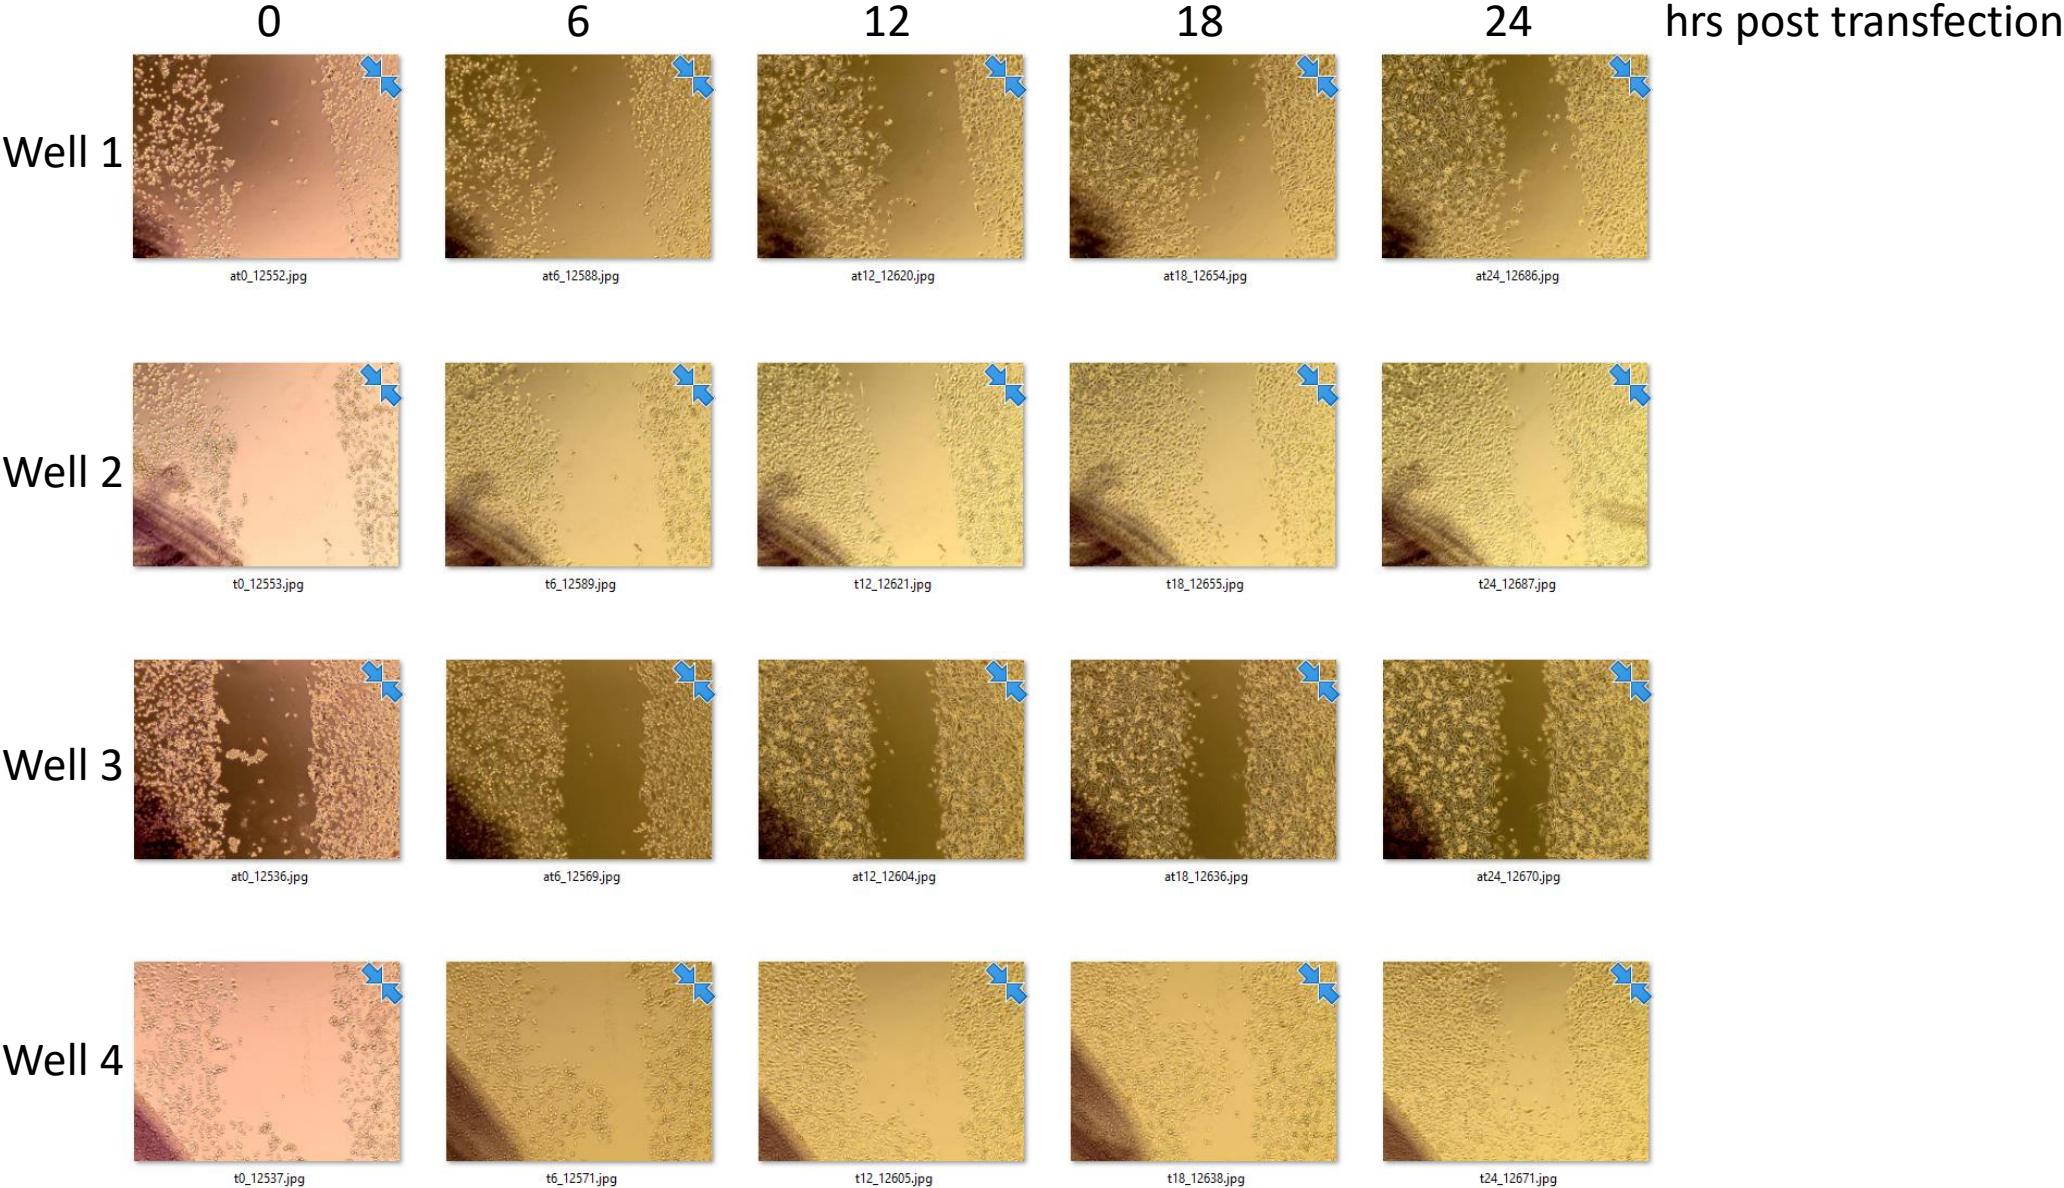

Supplementary File 3. SdRNA -D19b and -A24 PC3 cell scratch assays. (B) 19 mimic.

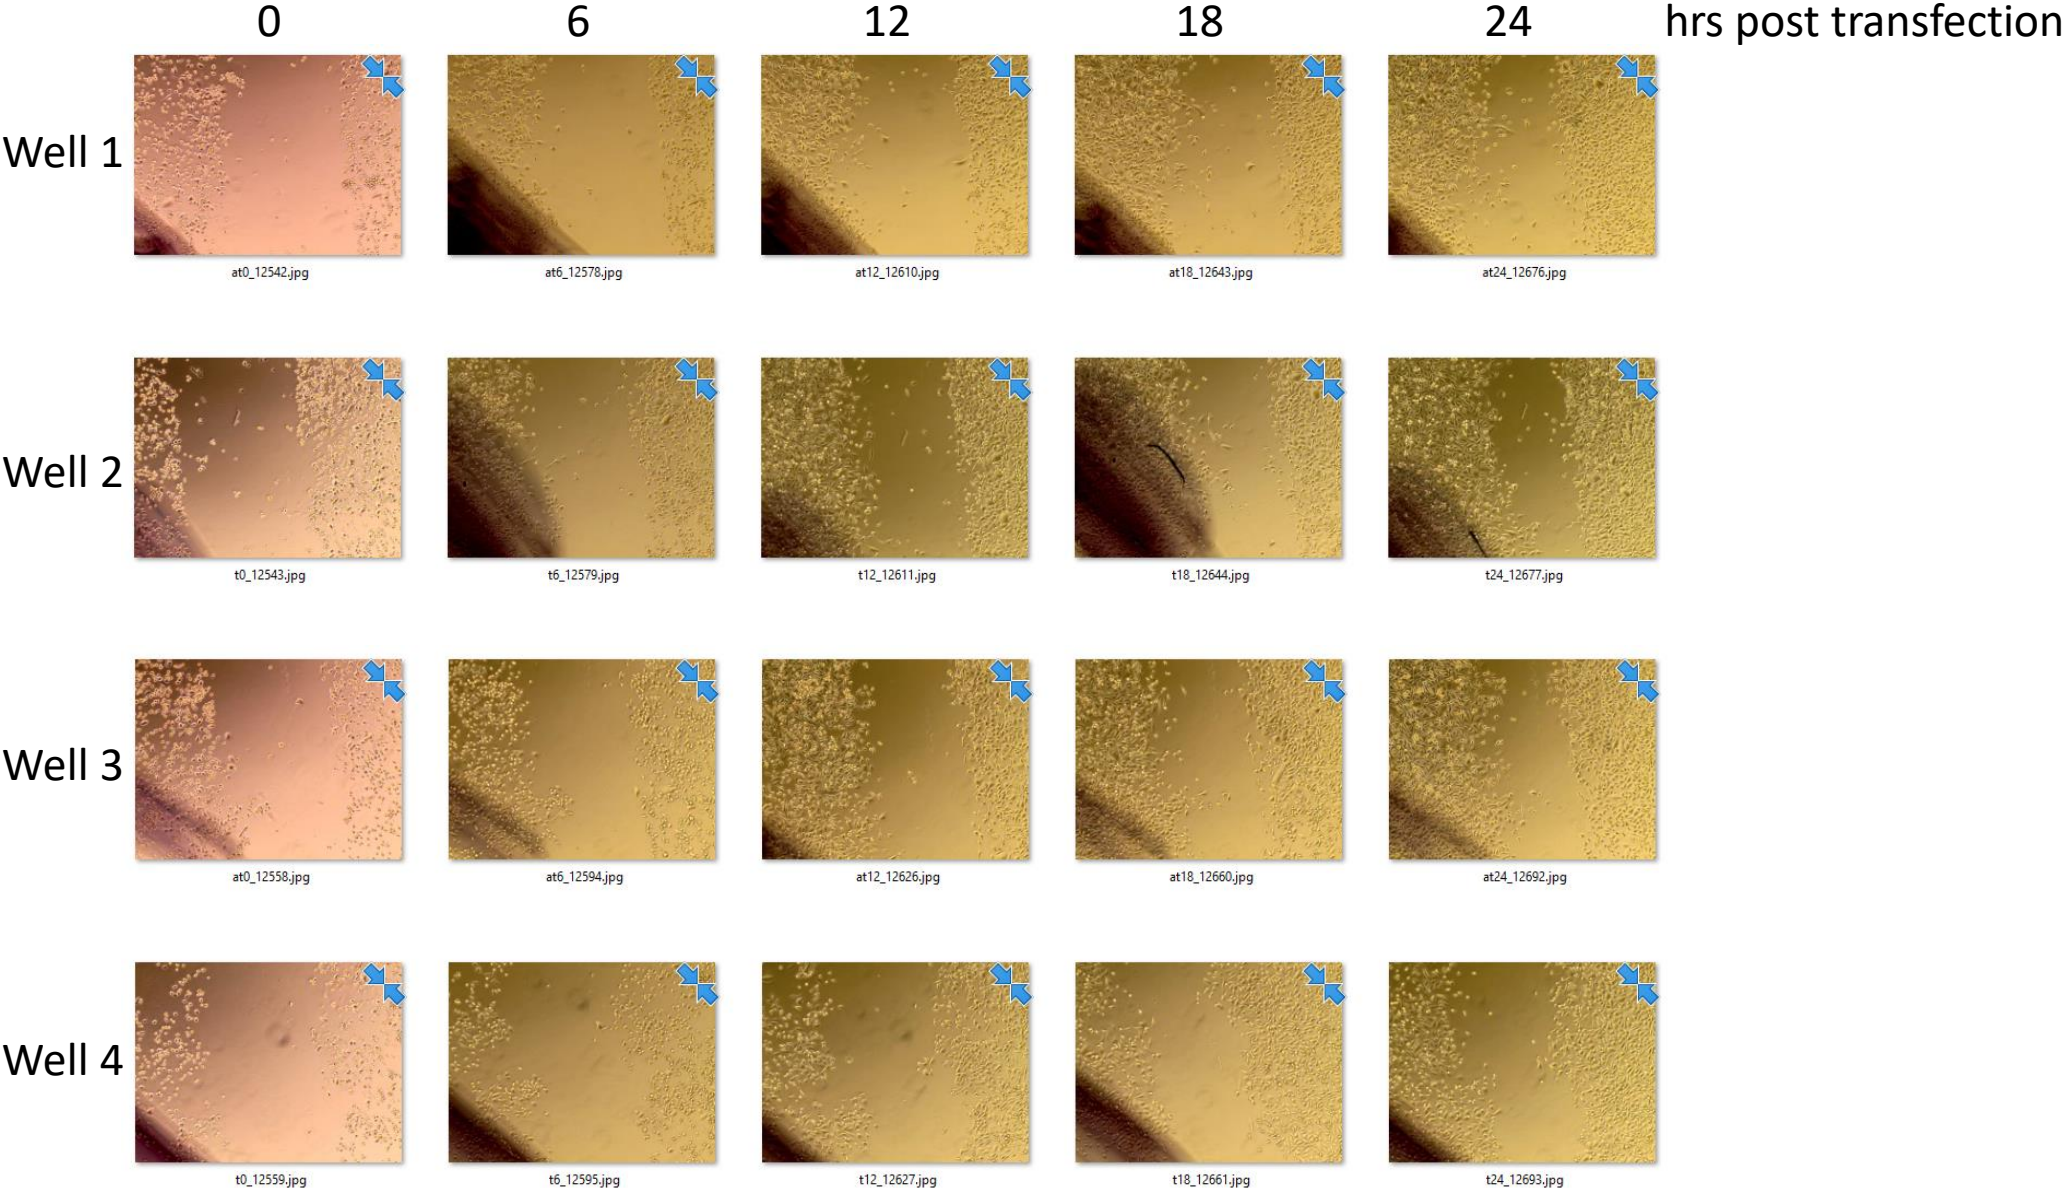

Supplementary File 3. SdRNA -D19b and -A24 PC3 cell scratch assays. (C) 24 inhibitor.

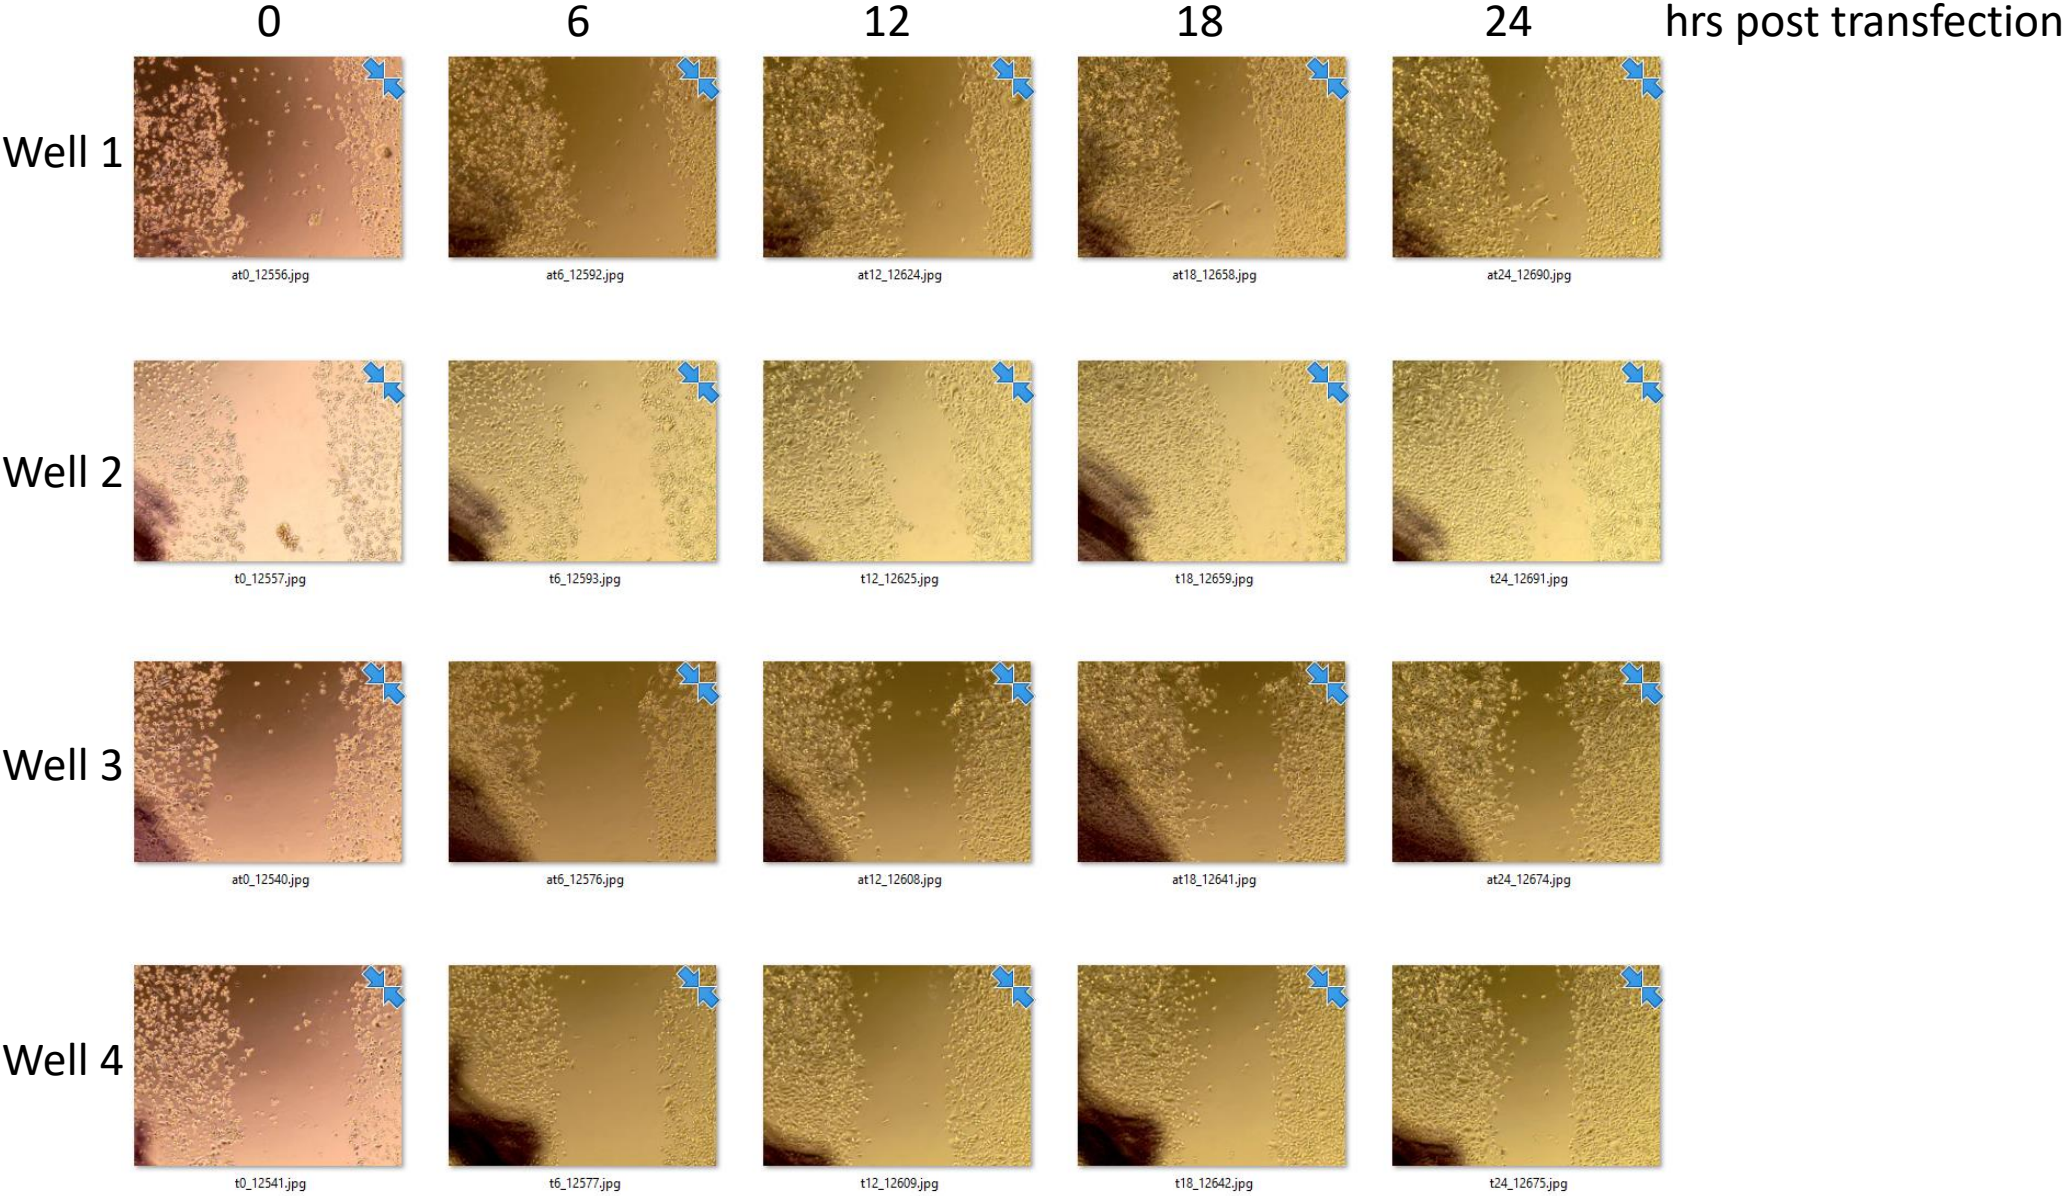

Supplementary File 3. SdRNA -D19b and -A24 PC3 cell scratch assays. (D) 24 mimic.

Supplementary File 3. SdRNA -D19b and -A24 PC3 cell scratch assays. (E) 42 inhibitor.

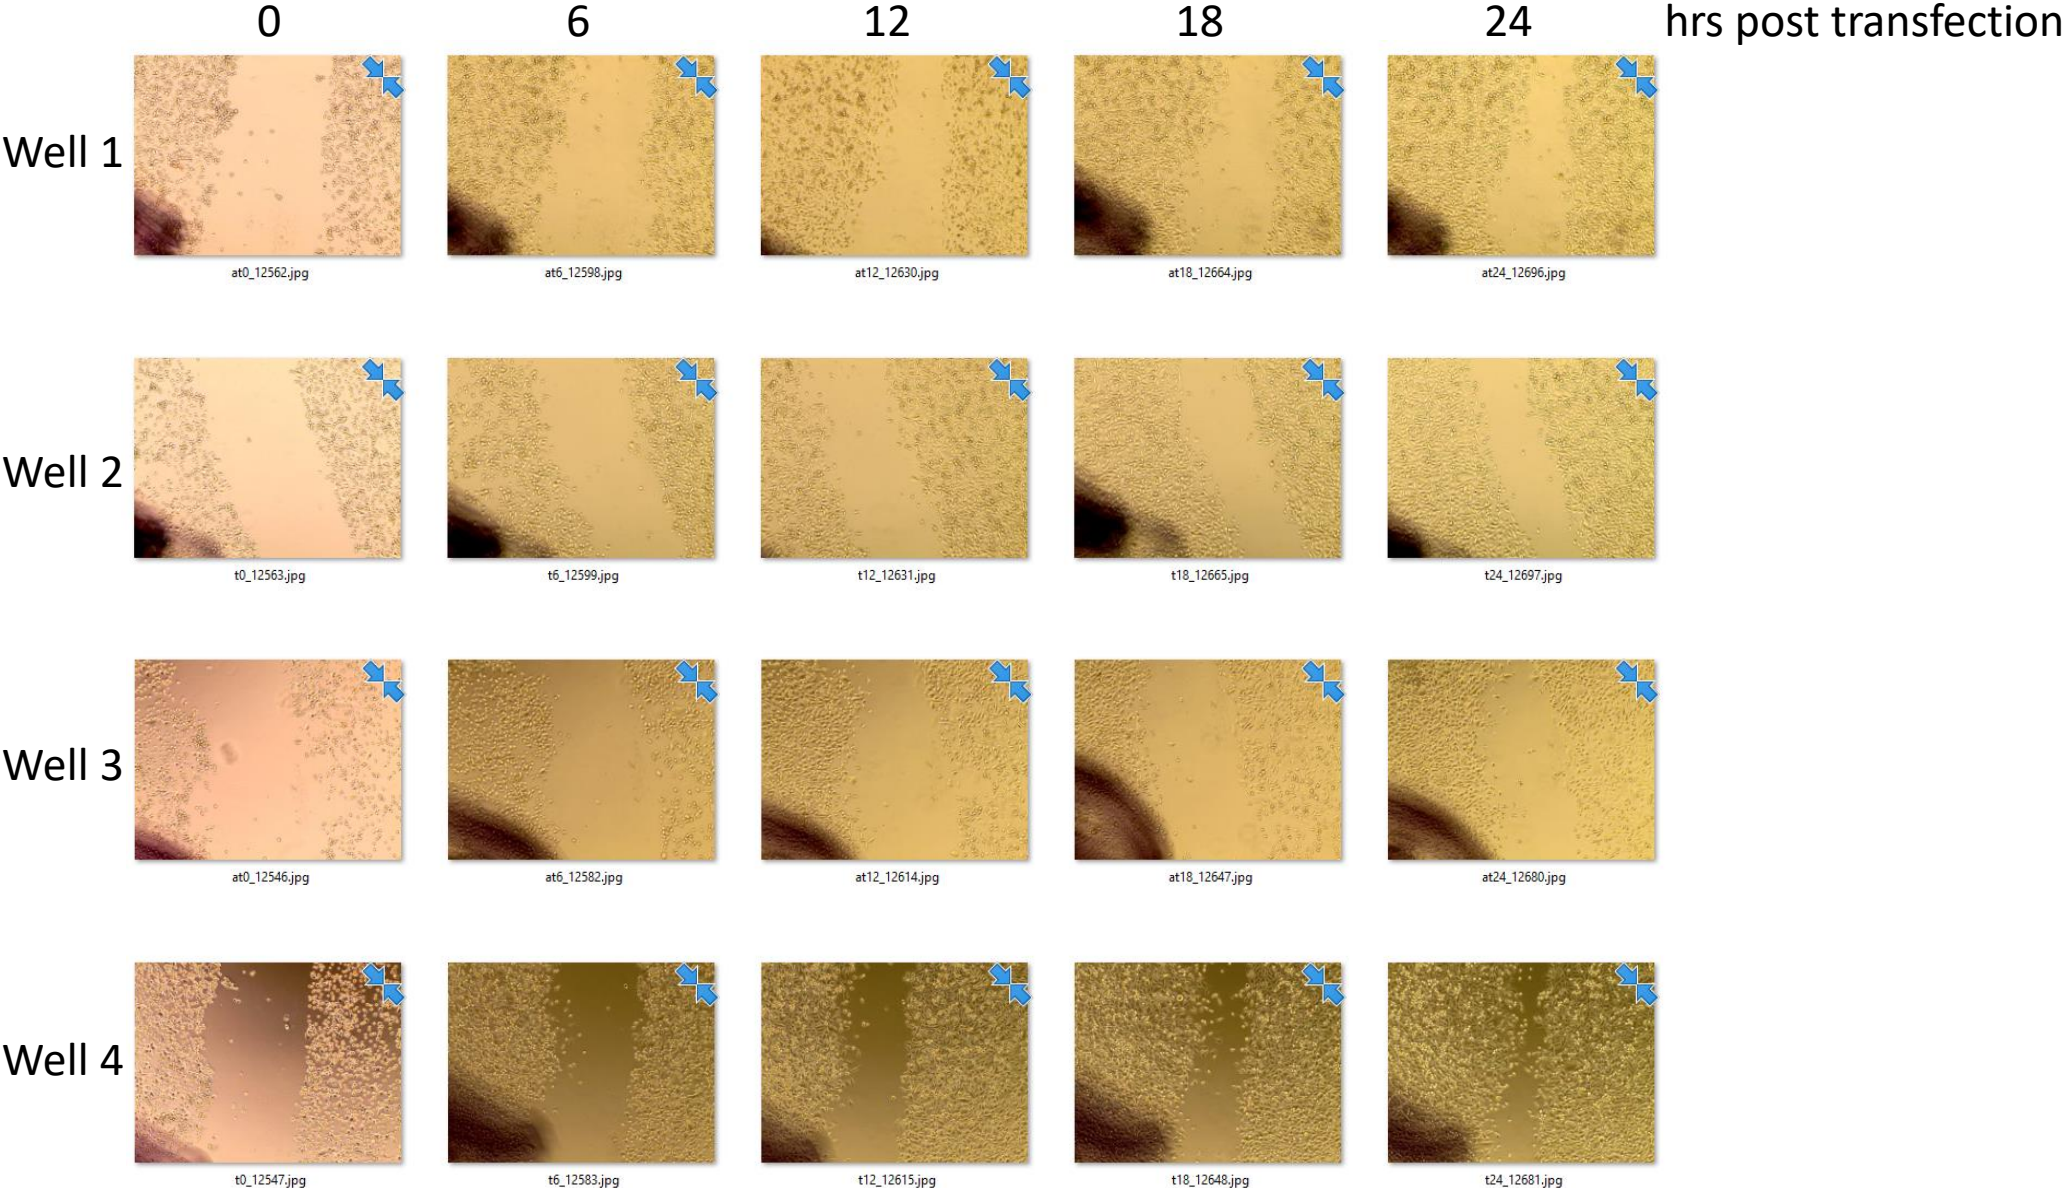

Supplementary File 3. SdRNA -D19b and -A24 PC3 cell scratch assays. (F) 42 mimic.

Supplementary File 3. SdRNA -D19b and -A24 PC3 cell scratch assays. (G) Control inhibitor.

Supplementary File 3. SdRNA -D19b and -A24 PC3 cell scratch assays. (H) Control mimic.

Supplementary File 3. SdRNA -D19b and -A24 PC3 cell scratch assays. (I) Mock control.
