

Table S1. Shapiro-Wilk's test shows the normal distribution for all continuous variables.

	Age w-value	Size w-value	Age p-value	Size p-value
Total	0.985	0.981	0.5524	0.501
LN	0.985	0.969	0.9176	0.585
non-LN	0.948	0.972	0.0682	0.542
