

**Table S2:** The vegetation structure and number of plots sampled per patch. **Labels:** Nrtrees (number of trees), AvDBH (mean diameter at breast height), CrClosure (mean crown closure), CrCover (mean Crown cover), Havg (mean tree height), and Hmax (mean maximum tree height).

	Patch							
Plot ID	ID	Nrtrees	AvDBH	BA	%CrClosure	%CrCover	Havg	Hmax
