Supplementary Material 1: Interview Prompts

- Background about self and family *(including how closely does the participant identify and relate with Aboriginal and Torres Strait Islander community)*
    - Example: *"Could you tell me about how you identify yourself as an Aboriginal and Torres Strait Islander woman? What mob/community do you identify with?" (if they are able to share)*
- Experiences about your health/your baby's health during pregnancy
    - Example: *Can you tell me about how your pregnancy has been? Have you/did you have any particular concerns?*
- Oral health during pregnancy *(knowledge, importance, past experiences, challenges)*
    - Example: *Have you had any concerns with your oral health/dental with your pregnancies? (If so): How were your concerns managed?*
    - Example: *What do you know/ what are the sorts of things that you've heard from friends and family about seeing the dentist or taking care of your teeth?*
- Involvement of Aboriginal health staff (or other antenatal care provider) in your oral health care *(tease out relationship between woman and the health worker)*
    - Example: *Have you been involved in a program where Aboriginal Health Workers support you during pregnancy?*
- Other comments/questions
