**Appendix A:**

**Perinatal participant interview questions:**

1. In your opinion, what are some of the barriers for future study participants to come to the hospital for in-person therapy sessions?
2. What would make it easier for other women like yourself to feel comfortable coming to the hospital for in-person therapy sessions when we resume in-person sessions? (Probe: what would facilitate perinatal participants ability/ comfort to come to in-person sessions or changes could be introduced/what could be done differently?)

**Provider interview questions:**

1. In your opinion, what might be some potential barriers for future SUMMIT study participants (perinatal women) to come to the hospital for in person therapy sessions?
2. In future, if the SUMMIT study wanted to resume in-person sessions, what do think would make it easier for perinatal women to feel comfortable coming to the hospital for in-person therapy sessions?

**Stakeholder interview questions:**

1. In your opinion, what might be some potential barriers for future SUMMIT study participants to come to the hospital for in person therapy sessions?
2. In future, if the SUMMIT study wanted to resume in-person sessions, what do think would make it easier for perinatal women to feel comfortable coming to the hospital for in-person therapy sessions?

**Appendix B: Demographic baseline questionnaires**
