

Supplementary Figure S1

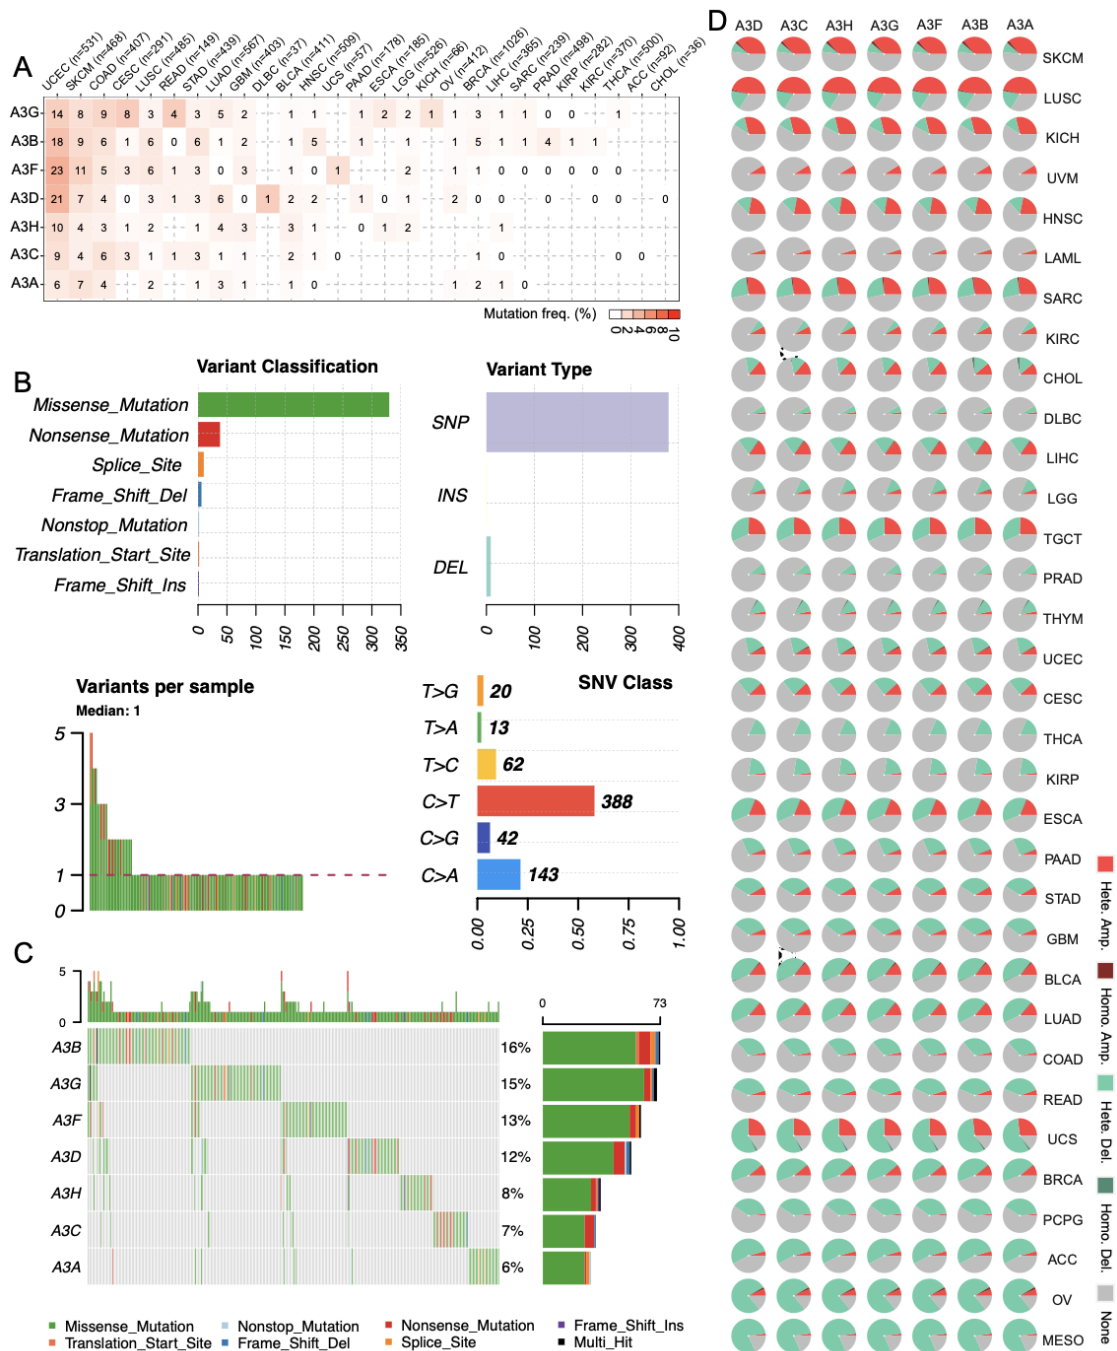

Figure S1: Pan-cancer analysis of APOBEC3 family somatic mutations and copy number variation (CNV) in TCGA cancer. (A) The profile of SNV of APOBEC3 family in cancers. (B) Summary of APOBEC3 family mutation classes in cancer. (C) OncoPrint provides the situation of the SNV of APOBEC3 family in TCGA cancer. (D) Types and proportion of copy number variation in APOBEC3 family in TCGA cancer.
