Supplementary material 5. Multivariate linear regression analysis - plots

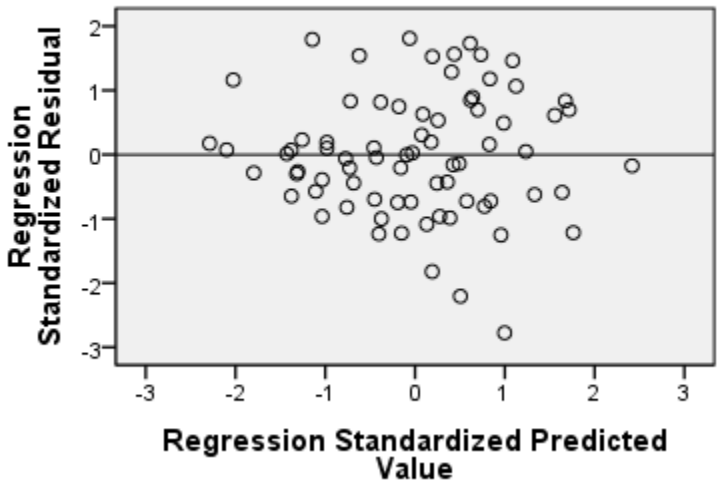

Figure S5.1. Residual plot for Multivariate linear regression model for FLI

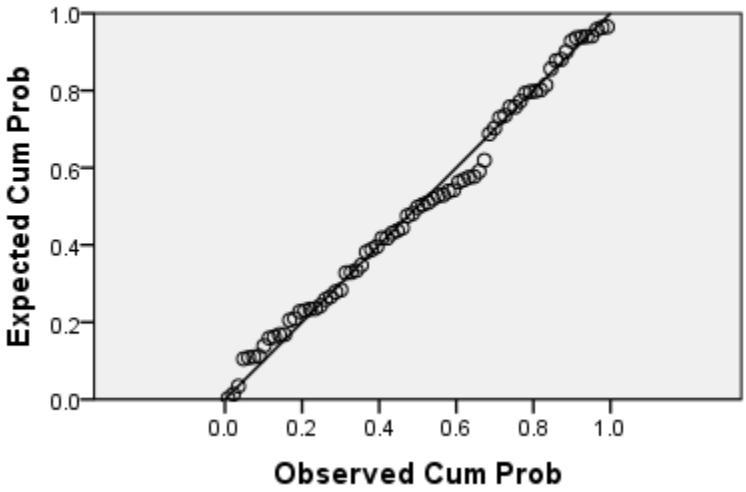

Figure S5.2. Normal P-P Plot of regression standardized residual for Multivariete linear regression model for FLI

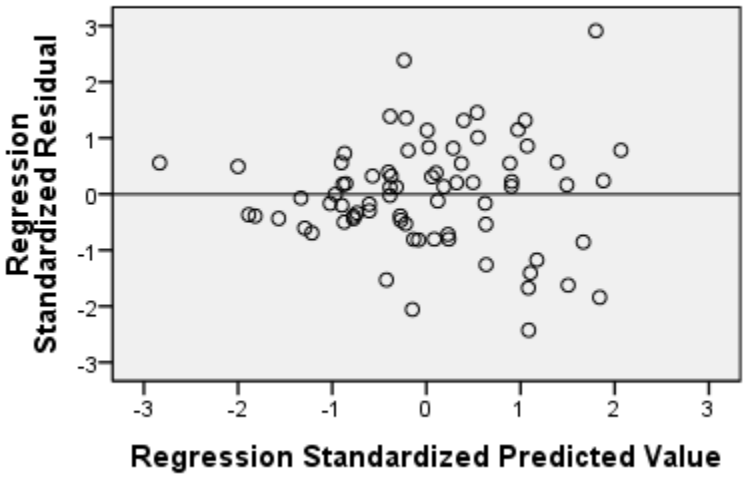

Figure S5.3. Residual plot for Multivariate linear regression model for HIS

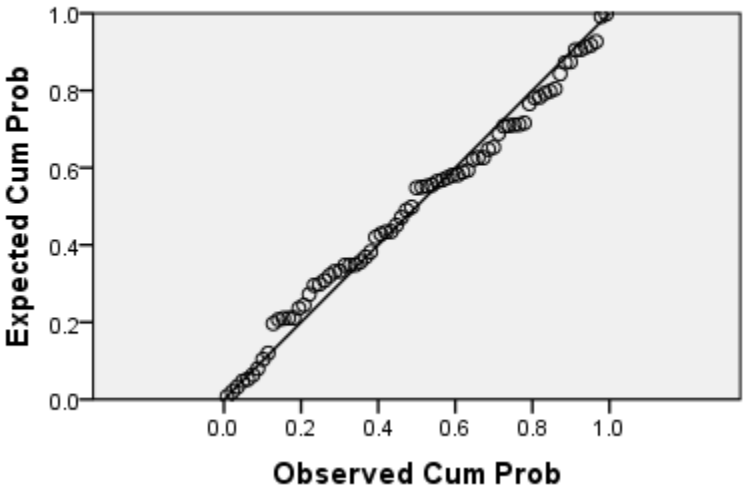

Figure S5.4. Normal P-P Plot of regression standardized residual for Multivariete linear regression model for HSI

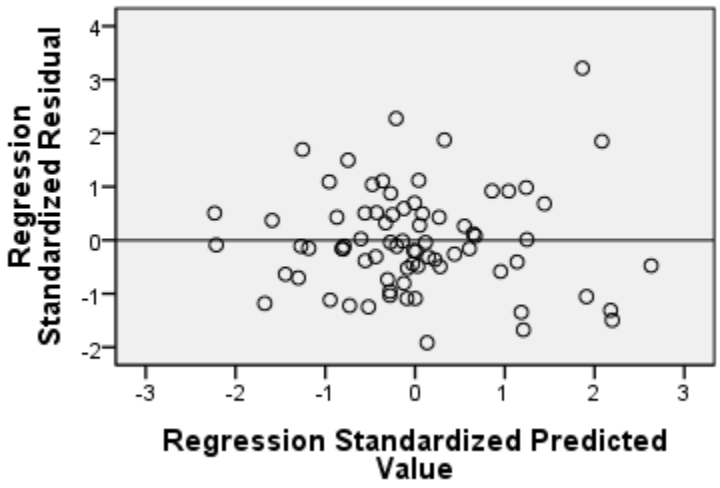

Figure S5.5. Residual plot for Multivariate linear regression model for TyG index

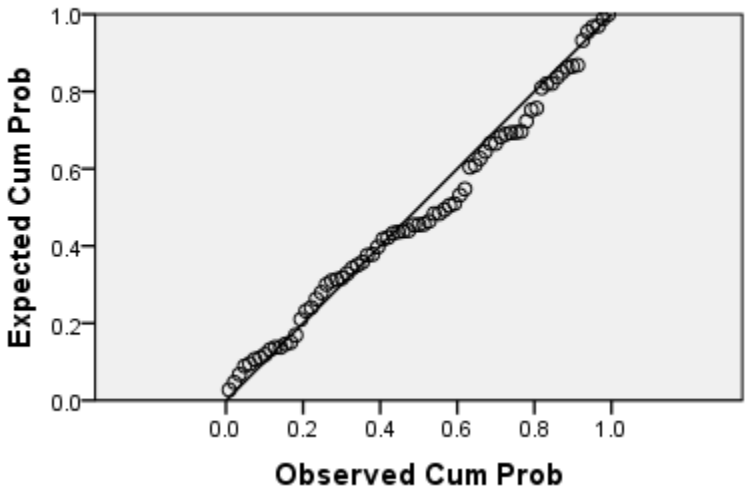

Figure S5.6. Normal P-P Plot of regression standardized residual for Multivariete linear regression model for TyG index
