

Coomassie brilliant blue staining (15 ug protein/lane)

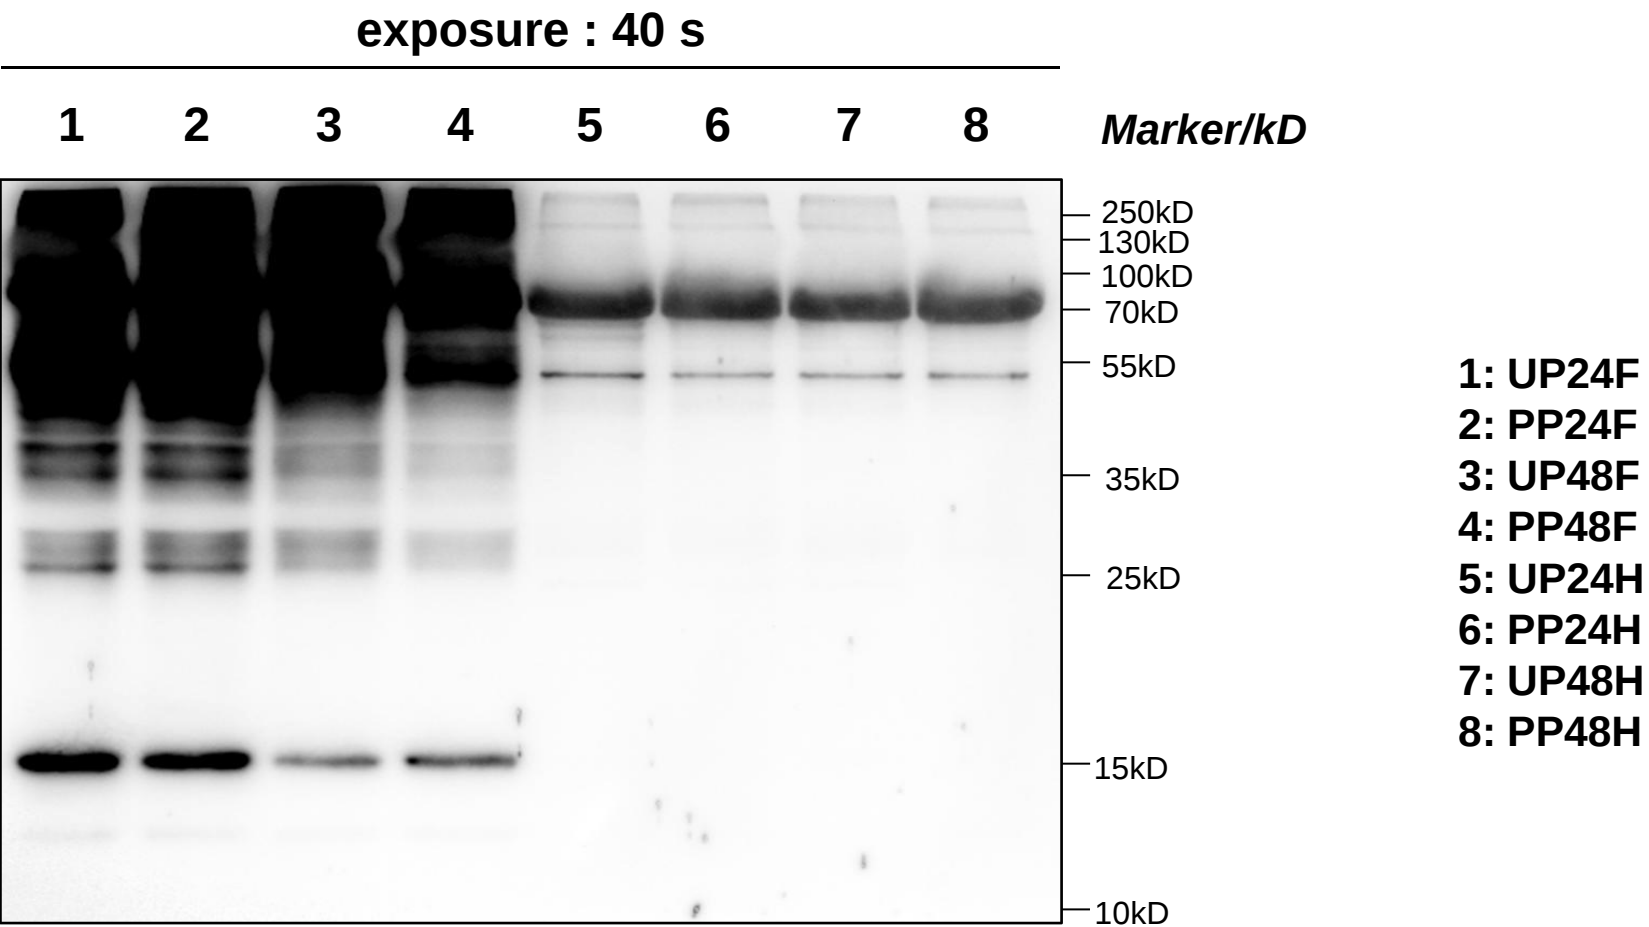

Western blotting with pan anti-acetyllysine antibody

WB: anti-acetyllysine

Western blotting with pan anti-acetyllysine antibody

WB: anti-acetyllysine

- 1. 15 µg protein / lane
- 2. Primary antibody : Anti-acetyllysine Antibody (PTM-101; Lot: 12838533L303; 1:1000 dilution)
- 3. 2nd antibody: Thermo, Pierce, Goat anti-Mouse IgG, (H+L), Peroxidase Conjugated, 31430, 1:10000 dilution

Western blotting with pan anti-acetyllysine antibody

WB: anti-acetyllysine
