Supplementary Materials

Table S1. Literature search strategies.

| Database	Strategies
Medline	((Glomerulonephritis, Membranous[MeSH Terms]) OR 'membranous nephropathy' or 'membranous glomerulonephritis") AND ('prediction model' or 'predict* model' or 'risk score' or 'risk model' or 'model')
Embase	1. 'membranous nephropathy' or 'membranous glomerulonephritis' or 'membranous nephri*'
	2. 'prediction model' or 'predict* model' or 'risk score' or 'risk model' or 'model'
	3. #1 AND #2

Figure S1. Fagan nomogram of the six prediction models with renal function progression as predicted outcomes.
