S3 Detailed description of fractures

Study ID	Description of fracture
Almagauer 2023	"Mildly comminuted, **nondisplaced fracture of the left pubic body and superior pubic ramus** as well as a **nondisplaced fracture of the right inferior pubic ramus** and **right sacral wing"**
Burghardt 2010	"Nondisplaced **anterior pelvic ring fracture** on the **left** side"
Coupe 2005	"Isolated, minimally displaced fracture of the **left superior pubic ramus"**
Garrido-Gomez 2012	"**Left iliopubic rami fracture** and a nondisplaced **right ischio-pubic rami fracture"**
Gómez-Puerta 2008	"Displaced **right sacro-iliac fracture** and **left iliac** and **ischio-pubic ramus** fractures"
Hagiwara 2004	"Fractures of the **right pubis** and **ischium** and a **fracture from the region of the right acetabular cartridge to the right iliac bone**"
Henning 2007	"**Left** nondisplaced **superior and inferior pubic ramus fractures"**
Kastanis 2024	"Displaced **right superior pubic ramus** fracture and a nondisplaced **right inferior pubic ramus fracture**"
Li 2023	"Fractures of the **left sacral ala and the left pubic bone**"
Macdonald 2006	"Minimally displaced, stable fracture of the **left superior pubic ramus"**
Martin 2010	"R**ight pubic rami fractures** and a **nondisplaced right sacral fracture**"
Rich 2018	"Non-displaced fractures through the **right superior and inferior pubic rami**"
Sandri 2014	"**Right** osteoporotic **pubic rami fracture** classified as type Ia according to the Rommens-Hofmann classification"
Solarz 2017	"Minimally displaces **right superior pubic ramus** fracture"
tenBroek 2014	"**Right superior pubic rami** fracture without dislocation"
	"Fracture of the **left superior and inferior pubic rami"**
Weber 2016	"Fragility fracture of the pelvis, simple **iliopubic rami fracture right**, benign fracture pattern, osteoporotic **sacral fracture** (Denis type I), partially unstable fragility fracture of the pelvis type IIC"
Wee 2013	"Minimally displaced **right superior pubic ramus fracture**; no significant displacement"
Wingstrand 1988	"Minor, displaced **acetabular fracture**"
Wohlrath 2013	"**Left iliac wing** fracture with **2-pillar acetabular fracture**, simple **anterior pelvic ring fracture** (type A according to AO)"

	"Slightly displaced **anterior pelvic ring** fracture with marginally dislocated **pubic ramus fracture** (type A according to AO)"
