Survey on the Current State of Ecological Wetland Conservation and Public Participation

Dear Sir or Madam,

Hello!

To better understand the current status of green, low-carbon, and high-quality development in China's wetland parks, the special project team at Nanjing Forestry University has developed this survey questionnaire. We kindly ask that you complete the relevant sections truthfully. We assure you that this survey is intended solely for research purposes, and we will strictly keep the information you provide confidential. Thank you for your support and cooperation!

Part One:				
1. What is your gender?				
☐Male	☐Female			
2.Age				
☐Under 18	☐Ages 18–35	☐Ages 36–45	☐ Ages 46－59	☐60 years of age or older
3. What is your educational background?				
☐Junior high school education or less	☐High school or vocational school diploma	☐Associate's degree	☐Bachelor's degree or higher	
4. What is your occupation?				
☐Government and Party officials	☐Employees of enterprises and public institutions	☐business owner	☐Retirees	☐current students
☐Other				
5、What is your location?				
☐Nanjing	☐ Other regions			

Part Two:				
6. Do you have a clear understanding of the concept of wetlands?				
☐Not at all	☐A little	☐Some	☐Very well	☐ Extremely well
7. Do you think the concept of “wetlands” is relevant to your life?				
☐Not at all	☐ A little	☐Some	☐Very	☐Extremely
8. Are you familiar with wetland reserves or wetland parks?				
☐Not at all	☐ A little	☐Some	☐Very	☐Extremely
9. Have you ever visited a wetland reserve or wetland park for tourism?				
☐ Never	☐ Occasionally	☐Often	☐Like to go	☐Always
10. Are you aware that Yuzui Park, where you are located, is also a wetland park?				
☐Not at all	☐A little	☐Some	☐Very well	☐ Extremely well
11. Which of the following do you consider to be wetlands? (Multiple choice)				
☐ Rivers and lakes	☐Reservoirs	☐Marshes	☐Ponds	☐ Tropical rainforests
☐ Ice sheets	☐Rice paddies	☐Beaches		
12. What functions do you think wetlands serve? (Multiple choice)				
☐Purify water sources	☐ Regulate climate	☐ Supply freshwater	☐ Provide habitats for animals	
☐Provide food for humans	☐ Land formation	☐Provide energy (e.g., electricity)	☐ Provide recreational spaces for humans	
13. Which of the following do you think is more important for a wetland park?				
☐Displaying wetland plants, animals, and water systems, and restoring and enriching the wetland’s original topography and landforms		☐ Displaying wetland plant communities, layouts, and structures under human intervention, and using technology to recreate the wetland’s natural landscape		☐ Various wetland-related experiential activities
14. How do you view the impact of human activities on wetland biodiversity?				
☐No threat at all	☐Some threat	☐ A threat	☐A significant threat	☐ A severe threat
15. If given the opportunity to participate in wetland conservation activities, would you be willing to join?				
☐Strongly opposed	☐Unwilling	☐Indifferent	☐Willing	☐Very willing
16. If you have participated in wetland conservation activities, what was the main reason? (Multiple choice)				
☐Personal interest in environmental	☐ Organized by school or workplace	☐ Influenced by others	☐ Financial incentives	☐ Recognition or honors

protection				
17. What do you consider to be the main factors affecting your participation in wetland conservation? (Multiple choice)				
☐Lack of relevant knowledge	☐ Lack of participation channels ☐ Time constraints	☐Time constraints	☐Financial costs	
☐Lack of confidence in the effectiveness of conservation efforts ☐ Weak local community support	☐Lack of a supportive community atmosphere	☐Other
