

Figure S2: Raw reads aligned to the reconstructed EcPV2 or EcPV9 genome and visualized through the Integrative Genome Viewer (IGV)

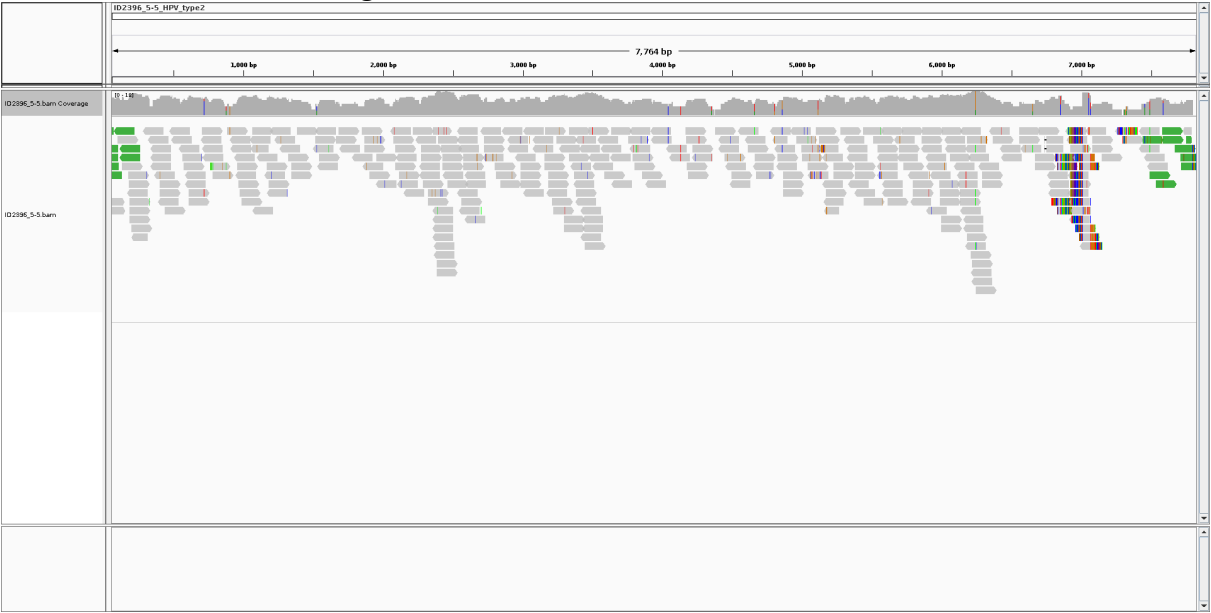

a) ID2396 2-2 raw reads aligned to the reconstructed EcPV2

b) ID2396 3-3 raw reads aligned to the reconstructed EcPV2

c) ID2396 5-5 raw reads aligned to the reconstructed EcPV2

d) ID2396 8-8 raw reads aligned to the reconstructed EcPV2

e) ID2396 13-13 raw reads aligned to the reconstructed EcPV9

f) ID2396 14-14 raw reads aligned to the reconstructed EcPV9
