- Other

Indicate other reasons:

Answer only if you have not undergone the COVID-19 vaccination

What was your motivation NOT to undergo the COVID vaccine? (It is possible to indicate more than one answer):

- Fear of vaccines in general
- Fear of this vaccine
- Insufficient and hasty experimentation
- Contradictory information on efficacy and safety
- Ineffectiveness of the vaccine
- Sense of compulsion to vaccinate
- The belief that the vaccination campaign is economic or other propaganda

Indicates the degree of agreement where 0 is "Not at all", 10 "very much" of agreement

COVID-19 vaccines have been adequately tested

- 0 1 2 3 4 5 6 7 8 9 10

COVID-19 vaccines represent an indispensable tool for the protection of individual and public health

- 0 1 2 3 4 5 6 7 8 9 10

Vaccination against COVID-19 represents an ethical duty for the entire community to protect individual and public health

0 1 2 3 4 5 6 7 8 9 110

It is essential to impose a COVID-19 vaccination obligation on the whole community to protect the fragile population

0 1 2 3 4 5 6 7 8 9 110

It is essential to impose a COVID-19 vaccination obligation on all university students to protect people who cannot access the vaccine for medical reasons

0 1 2 3 4 5 6 7 8 9 110

It is appropriate to exclude the access to the university of teachers / students who, although not presenting medical-health impediments, refuse vaccination against COVID-19

0 1 2 3 4 5 6 7 8 9 110

It is preferable to adopt measures of social distancing and caution than imposing a legal obligation on COVID vaccination

0 1 2 3 4 5 6 7 8 9 110

Evidence on the efficacy and safety of COVID-19 vaccines is uncertain due to their rapid development

0 1 2 3 4 5 6 7 8 9 110

People who refuse to undergo COVID 19 vaccination and fall ill should bear the additional financial burden

0 1 2 3 4 5 6 7 8 9 110

Do you have or are you encouraging your family and / or friends to vaccinate against COVID-19?

- Yes
- No
- Yes, but only to the most fragile persons

What topic would you like to receive more information on? (It is possible to indicate more than one answer):

- Types of COVID-19 vaccines
- Effectiveness of COVID-19 vaccines
- Side effects and safety profile of COVID-19 vaccines
- I don't think I need to improve my knowledge
- Other
