## Feature Papers of *J—Multidisciplinary Scientific Journal* in 2025

### Message from the Guest Editor

We are pleased to announce a new Special Issue entitled “Feature Papers of *J—Multidisciplinary Scientific Journal* in 2025”. *J—Multidisciplinary Scientific Journal* is a peer-reviewed, open access journal on all natural and applied sciences, published online by MDPI on a quarterly basis. Its goal is to improve the fast dissemination of new research results and ideas and allow research groups to build new studies, innovations, and knowledge without delay. This Special Issue will be a collection of high-quality papers from excellent scholars around the world. Both original research articles and comprehensive review papers are welcome, and they will be published, **free of charge**, with full open access after peer review to benefit both authors and readers. You are welcome to send short proposals to our Editorial Office ([J@mdpi.com](mailto:J@mdpi.com)) prior to submission. While these will first be evaluated by editors, please note that selected full papers will still be subjected to a thorough and rigorous peer review. We look forward to receiving your excellent work.
